PRESIDENT TAFT HAS CONFERENCE

Goes Over New Railroad Rate Law With Chairman Knapp.

BARGAIN WITH RAILROADS

Nothing Apparently Will be Done to Hinder Them—Will Not Attempt to Fix Anything Definite—Hearings.

Beverly, Mass., July 1.—President Taft had a long talk today with Chairman Knapp, of the Interstate Commerce Commission, regarding the administration of the new railroad rate law. At the conclusion of the interview it was made plain that the added authority given to the Commission by the new statute is not to be used arbitrarily or for the purpose of hindering the railroads in the conduct of their legitimate business. The power to suspend new rates probably the most direct weapon placed in the hands of the Commission is to be used only in exceptional cases.

Chairman Knapp told the President that the Commission already had refused an application under the new law for a suspension of increased rates on horse vehicles and automobiles. He said that there was nothing on the face of things to show that the new rates were unjust or unreasonable.

The Interstate Commerce Commission will not attempt to fix definite rates for the railroads and the power of a suspension will be applied only to rates when a preliminary hearing gives indication that they are excessive. In all such contested cases the President was informed, the commission will endeavor to arrive at the facts at the earliest possible moment and it is not believed that in any case will it be necessary to avail itself of the full limit of 11 months allowed under the law.

From time to time since the new law went into effect there have been indications that some of the big railroads have been considerably worried as to the extent and the monner in which the rate regulating clauses of the new law would be employed by the commission. Stock manipulation in Wall Street had been informed were trying to trade upon this doubt and to make the most of the situation to their own advantage.

It can be authoritatively stated that it was never intended that the new law should be a club or that it should be the means of profit taking by "bears" in the market. The commission will not "run amuck" and will do nothing to jeopardize the interests of investors. There has been talk of a possible fright among European investors and the embarrassing results that might come from throwing over stocks at crop moving time. But the President sees nothing in the situation to warrant any such views.

The new law is being "tried out." The President feels that it is in the hands of a conservative body of men. It was at his request that Chairman Knapp came to Beverly today. Mr. Knapp left for Washington tonight.

Mr. Taft was pleased to find that the Commission already had its plans well mapped out and that its views of the new statute coincide thoroughly with those of the framers of the bill.

It is felt that it would be a great impediment to the railroads to have every new rate suspended and put through the 11 months period of determination as to its reasonableness. Chairman Knapp discussed this feature of the law with the President and cited the refusal of the commission to suspend the automobile and vehicle rates as an indication that the power of suspension is not to be used indiscriminately.

The commission is anxious that there shall be as little friction with the railroads as possible and President Taft is anxious that nothing shall be done to menace the prosperity of the railroads so long as they comply with the terms of the law.

Further information regarding the interview between President Taft and Col. Roosevelt yesterday tended to confirm the reports of last night that the visit was almost wholly of a personal and social nature.

The President and the former President did talk politics briefly, but it was agreed between them that they would not discuss their meeting in any way.

As one who was present put it today, "we all sat around in a ring and had a mighty good time. The Colonel told many interesting stories of his experiences abroad, both in Africa and Europe. We found that he had lost none of his characteristically vigorous and picturesque power of describing individuals and situations and his visit was a joy to us all."

The growth of the peace movement in Europe was discussed. But it is said today that the International Peace Commission authorized under a recent act of Congress, was not taken up in detail. It is pretty thoroughly understood, however, that if Mr. Roosevelt cares to head this commission, the appointment will be his.

President Taft today expressed regret to several of his callers over the defeat in the New York Assembly of the Cobb direct primary bill, which was advocated by Governor Hughes and publicly endorsed by Col. Roosevelt. The President felt that this bill offered a splendid opportunity to test the direct primary principle, and while he shares the view expressed by a number of leaders that all offices should not be put under the primary system, the Cobb bill was a compromise which he felt sure would be accepted.

WANT TEDDY BACK IN HARNESS AGAIN

How Things Are Shaping in The New York General Assembly.

THE REPULICAN ORGANIZATION

Said to be No Repudiation of His Leadership, However—Is His Power on Wane—Governor Hughes Hopeful.

Albany, N. Y., July 1.—Theodore Roosevelt is to be asked to get back into the harness again. His decisive defeat in both the Senate and the Assembly by the Republican organization has created a situation which may force him to take an active part in the politics of both the State and Nation.

Almost before the gavel had banged the end of the special session of the Legislature today the members who shared with him the lost cause of primary legislation, were planning to make him leader of the party in the State, whether he wants to be or not. They point to the fact that once he plunges into the contest in the State, he will be involved in he politics of the Nation, owing to the prominent part which New York State is expected to play in the Congressional campaign of the Fall.

The Republican organization moved swiftly and smoothly today in finishing in the Senate the work it began in the Assembly. Less than two hours after the organization men had started up Capitol Hill this morning they were victorious and were coming down again. The Cobb direct nominations bill, known as "Roosevelt bill" was put to death with 25 votes to 19 against, 26 votes being necessary for it to pass. The personality of Roosevelt failed to shake the set purpose of the organization and Roosevelt sustained one of the few defeats of his career.

Col. Roosevelt's defeat was in no sense a repudiation of his leadership or an indication that his power is on the wane, those who stood with him say. They had a majority of the Republican votes with the Democrats that the organization was able to win. Assemblyman Green said that he already had begun preparations to carry the fight into the State convention.

Gov. Hughes is known to take a hopeful view of the situation.

Col. Roosevelt Talks.

New York, July 1.—Although silent on his arrival here, Col. Roosevelt told on the train while coming from Boston how he had been drawn into the direct primary fight.

"I had fully made up my mind not to interfere in any way with legislation pending before the extraordinary session of the Legislature," he said, "until I met Governor Hughes at Harard. He urged upon me the imporance of making some definite statement as to how I stood on the direct rimary bill. He told me that silence n my part might be construed as incating that I was opposed to it."

"What have you to say regarding the defeat of the primary bill for which you expressed approval?" the Colonel was asked.

"Nothing now," he replied, "it is not ny way to talk of such things."

Col. Roosevelt explained clearly just what his attitude is toward Governor Hughes. "It's this way about the Governor," he said. "It had been reported that I had directly asked him to resign from the Supreme Court and run again for Governor. That report was manifestly false. I could not make such a request of a man. I believe Gov. Hughes would be the ideal candidate for the Governorship, but I could not so reflect upon the dignity of the Supreme Court as to urge him to give it up."

LYNCHING WAS FEARED.

Would Not Carry Negroes to Orange County—The Crime.

Durham, N. C., July 1.—Fear that three negroes charged with robbing Julius Vickers and his wife this morning in Hillsboro would be lynched if taken to Orange county jail caused the prison authorities to leave them in another prison. A large crowd had gathered tonight at Hillsboro to take the negroes from the train. Two of them robbed Vickers and his wife and beat them severely. Then the three fought over the sixty dollars loot. The two who did the robbing almost killed the third, leaving him on the railroad track.

Mrs. Vickers and the injured negro are in a serious condition.

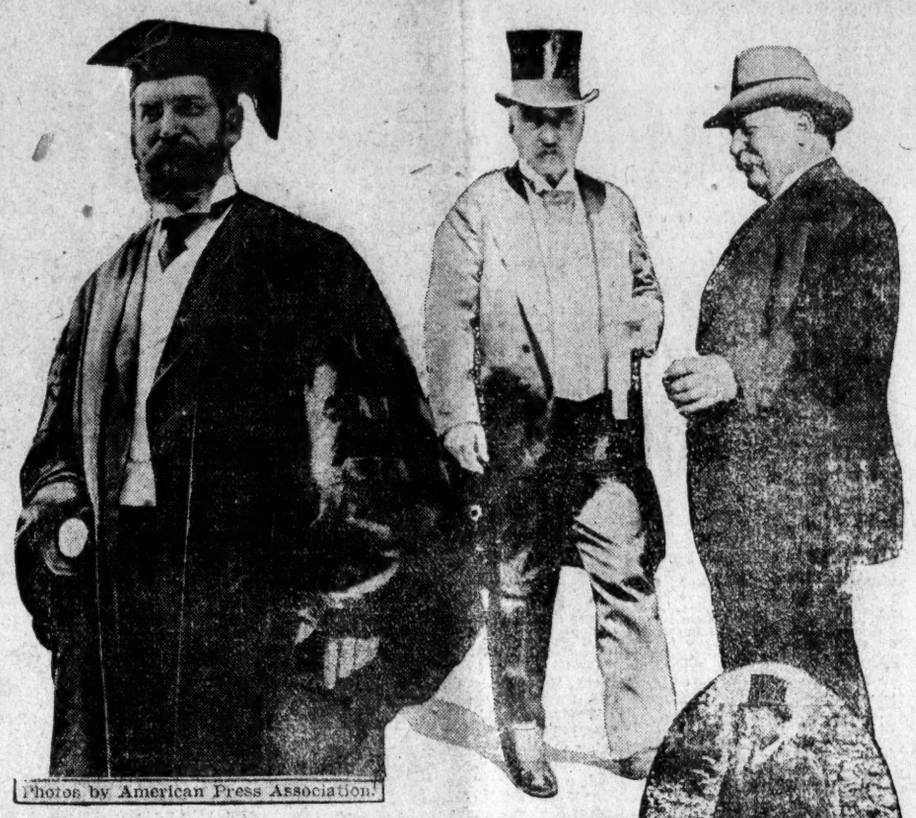
Degrees to Morgan and Hughes Start Some Political Rumors



Photos by American Press Association.

Beverly, Mass., July 1.—When Harvard gave degrees to J. Pierpont Morgan and Governor Hughes, with Colonel Roosevelt looking on, little did the college officials think they were going to keep politicians up nights figuring out various combinations of what will and what will not happen. The fact that Morgan failed to hurry up to meet Roosevelt means that Wall Street is "laying" for the colonel, according to the gossip of some. The fact that Governor Hughes smiled after his talk with the colonel means "there's a dark day coming for others." Then the conference on Burgess Point between Taft and Roosevelt means so many different things that the public is left to take its choice. He patted Taft; he did not pat him, and so it goes. In the meantime Mr. Morgan is going ahead making money notwithstanding his degree, and Governor Hughes is still fighting machine politicians.

ALABAMA MEN ARRESTED

Charged With Ambuscade and Serious Wounding of Wealthy Banker and Several Others—All Gave Bond —Bonds.

Pensacola, Fla., July 1.—Resulting from the ambuscade and serious wounding of J. H. Givens, wealthy banker and mill man and others, of Laurel Hill, Fla., five prominent citizens of Falco, Ala., the scene of the trouble, were arrested today and will be tried for attempting to assassinate Givens and his companions, none of whom will die.

Among those arrested was Olin Adair, the man who barricaded himself in a store at Falco and who, it is alleged, gave the signal which caused confederates to fire upon a posse of citizens from a neighboring farm house, wounding three of the posse. Others arrested were J. A. Davis, owner of the store in which Adair took refuge, and his three sons, all of whom were released under bond. Davis admits having fired upon the posse because he feared they would do violence to Adair, his book-keeper. Later reports are that the defendants were re-arrested tonight. Adair, who after the chase with bloodhounds refused to surrender to the citizens posse, readily gave himself into custody when the Sheriff arrived.

Andalusia, Ala., July 1.—Sheriff Prestwood, of Covington county, returned here today from Falco, the scene of the ambuscade. Twenty-eight men were arrested on a charge of assault with intent to murder. All made bond for their appearance at the preliminary hearing. It is claimed that some of the defendants are suffering from wounds and the preliminary hearing will be deferred until their recovery.

AN ELECTROCUTION.

Angelo Hamilton Paid Death Penalty at Richmond Yesterday.

Richmond, July 1.—Angelo Hamilton, who was convicted of murdering Mrs. Sallie B. Hix, at Lynchburg, on June 13th, 1909, was put to death in the electric chair in the State prison here early today. Mrs. Hamilton came here with her children to intercede with the Governor for the commutation of Hamilton's sentence.

The crime for which Hamilton was electrocuted was committed in Lynchburg, on June 13th, 1909. Hamilton had been infatuated with the woman, and she had sought to free herself from him.

On that night Mrs. Hix went to a dance. Hamilton followed her to the hall. On the way home Hamilton shot her several times. He was twenty-five years of age.

EDUCATORS TO HEAR KITCHIN

Governor of North Carolina Speaks at Boston Monday—President J. Y. Joyner Also Among Speakers —National Association.

Boston, July 1.—What America has done and what it proposes to do for the education of the youth of the land, from the kindergarten to the high school, will be the theme at the week long 48th annual convention of the National Education Association, which will open here tomorrow. Nearly every department of education will be represented and recognized authorities will discuss hundreds of topics.

President Joseph Swain, of Swarthmore College, the president of the National Council, will speak the first word tomorrow morning in the new Old South Church. On Monday President Taft, President James Y. Joyner, president of the association, Gov. W. W. Kitchin, of North Carolina, and President David Starr Jordan, of Leland Stanford, Jr., University, will speak in the great Harvard stadium to the largest gathering of teachers ever seen in the country. President Lowell, of Harvard, will preside.

ZELAYA GETS SHIP.

William Colby Said to Have Been Purchased in States.

Washington, July 1.—A rumor reached the State Department today that a person closely connected with former President Zelaya, of Nicaragua, had recently purchased a ship called the William Colby, of 193 tons register, and sent her to Norfolk, Va. There she is reported to have loaded and left on June 26th for a destination not far from Bluefields. On account of the uncertainty of the information the Department has taken no action, it is understood, in regard to the matter.

SENATOR DANIEL LAID TO REST

Signal Honors Paid to Distinguished Virginian at Funeral Exercises Yesterday—Bells Tolled in Judicial District—Military.

Lynchburg, Va., July 1.—Many prominent State officials, including Governor Mann and his staff and two former Governors, J. Hoge Tyler and Claude A. Swanson, and a Congressional delegation from the Senate and House, together with six companies of military from Richmond and Norfolk, attended the burial of John Warwick Daniel, former senior Senator from Virginia, which took place from St. Paul's Episcopal Church at 5 o'clock today. The burial was at Spring Hill cemetery.

The services were very brief, being strictly according to the ritual of the Episcopal church, and were conducted by Right Rev. Beverly D. Tucker, of his city, bishop coadjutor of the Southern diocese of Virginia, assisted by the parish rector, Rev. Joseph B. Dunn, and Dr. Robert H. Fleming, of the Presbyterian church.

The entire church seating was reserved for out-of-town visitors, officials Confederate organizations, the city council, Lynchburg Bar Association, and the Lynchburg Lodge of Elks.

Following the burial service and after the grave had been banked with floral tributes, the military fired a salute. Taps were sounded at 6:55 o'clock and then the benediction was pronounced by the Bishop.

The pall-bearers, active and honorary, were all residents of the city and personal friends of the dead statesman. The members of the Congressional delegation were:

Senate—Martin, of Virginia; Bacon, of Georgia; Carter, of Montana; Smith of Maryland, and Warren, of Wyoming.

House—Champ Clark, of Missouri, and the following Virginia members: Glass, Carlin, Lamb, Saunders and Flood.

Roanoke, Va., July 1.—As a mark of respect to the memory of the late Senator John W. Daniel bells in the court house of the twentieth judicial circuit, were tolled this evening between the hours of five and six o'clock at intervals of one minute during the funeral of Senator Daniel at Lynchburg. This action was on the request of Judge W. W. Moffett of the circuit. A large fire bell was tolled every half minute in Roanoke.

SMITH FOR NEW BUREAU.

Appointed by President Taft for Bureau of Mines.

Beverly, Mass., July 1.—President Taft designated Dr. George Otis Smith, director of the Geological Survey, today as acting chief of the new bureau of mines recently authorized by Congress.

The President has not yet made up his mind as to a permanent head for the new bureau. Strong pressure has been brought to bear upon him to appoint J. A. Holmes, of the Geological Survey, but Mr. Taft is still debating.

BOARD ARRANGING FOR POSTAL BANKS

Department Officers to Work Out Details of System Named.

APPLICATIONS FROM BANKS

Many Desire to Become Government Depositories—Committee Will Hold Daily Meetings—Postmasters.

Washington, July 1.—The first meeting of the Board of Trustees consisting of the Postmaster General, the Secretary of the Treasury and the Attorney General, which is to have charge of the organization and supervision over the postal savings banks, was held today in Postmaster General Hitchcock's office. The board named a committee of departmental officers to work out the details of the system and submit a report to the trustees as soon as possible. The committee will hold daily meetings and another meeting of the trustees will be held in a few days.

It was said that the board probably would not be ready for some time to take up the matter of designating depositories. Applications have been received from a considerable number of banks throughout the country asking that they be made government depositories for postal savings funds and from a number of postmasters requesting that their offices be made postal savings banks.

At the following places, among others, the postmasters have asked to have their offices given the benefit of the savings bank system: Louisville, Lexington, Lancaster, Frankfort, Owensboro, Danville and Lebanon, Ky., and Galveston, Texas.

Theodore L. Weed, chief clerk of the Postoffice Department, was made secretary of the Board of Trustees.

The committee to work out the details of the system was named as follows, all of them being connected with the Postoffice Department: H. H. Thompson, superintendent of the division of finance, chairman; Bayard Wyman, superintendent division postmaster's appointments; Basil Miles, superintendent division foreign mails; Jas. B. Cook, chief division of inspection; C. H. Fullaway, assistant superintendent division of finance; G. G. Thomson, superintendent division of supplies, and George G. Kimball, postoffice inspector.

EXTERMINATION OF PESTS.

Man Who Started War on Mosquitoes Dead on Long Island.

New York, July 1.—Henry Clay Weeks, the first man to start a systematic campaign for the extermination of mosquitoes in this country, died today at his country home at Bayside, L. I. He was 66 years old and an architect by profession. His hobbies were killing mosquitoes and protecting shade trees.

Years ago he began pouring oil on swamp lands near his estate and it was largely through his efforts that the American Society for the Extermination of Mosquitoes was formed. He leaves an estate valued in the millions.

Springfield, Ill., July 1.—The Sangamon county grand jury today returned a second indictment against State Senator John Broderick, of Chicago, charging him with the bribery of State Senator D. W. Holtslaw, of Iuka, in giving him $2,500 to vote for William Lorimer for United States Senator and $700 on the "Jack-pot" proposition. The indictment was brought to correct any errors in the first one. There are seventeen counts as against twelve in the first indictment.

All Arrangements Completed For Big Championship Battle Monday.

SPORTING MEN MET JEFFRIES

Ring-Side Officers All Named Yesterday—Train Loads of Fight Followers Arriving—Jeffries Appears Good to Fighters.

Reno, Nev., July 1.—With the appointment today of the time-keeper, the list of the ring-side officers was completed for the Fourth of July fight between James J. Jeffries and John A. Johnson, on which rests the heavyweight championship of the world. The officers are:

Referee, Tex Rickard, of Nevada; alternate referee, Charles White, of New York; time-keeper, George F. Harting, of San Franisco; announcer, Billy Jordan, of San Francisco; stakeholder, "Tim" Sullivan, of New York; betting commissioner, Tom Corbett, of San Francisco.

Despite the persistence of rumors that Rickard does not intend actually to referee the contest, no tangible ground for the report could be discovered today. Rickard himself denied emphatically that he had any intention of stepping down at the last minute in favor of the New Yorker.

"I am the referee," he reiterated, "and I am going to do the refereeing." Here Rickard reached into his pocket and produced a roll of bills. "Here's just bet that $500, for me that I referee the fight. That's how I feel about it."

Of the fight officers named above, all except Jordan are on the ground. Harting and Sullivan arrived today.

"I have $50,000 of the purse money now in my hands," said Sullivan, "and the rest will be turned over to me tomorrow."

Rickard was at the station to meet Sullivan. After a brief conference the pair went to Jeffries' camp.

When the machine drew up in front of Jeffries' cottage the fighter came forward.

"Hello Tim," Jeffries said, extending his hand.

"Hello," replied Sullivan. "I wish you all kinds of luck, boy."

After a few moments of talk with Jeffries, Rickard and Sullivan whirled to Johnson's quarters. The greeting between Sullivan and Johnson was cordial. After an interchange of remarks Rickard and Sullivan hastened back to Reno.

A Suit Against Jeffries.

A suit for $5,000 for attorney's fees was filed against Jeffries in the district court today by the Reno lawyers who drew up the contract conveying the fighter's share in the moving pictures to an Eastern syndicate.

The lawyers allege that because of the terms of the contract with the syndicate's representative they were entitled to at least $5,000, they argue that since, by the contract, Jeffries and Tex Rickard, his partner in the deal, would get $66,000 in good hard money as soon as the first gong tapped on Monday and that even if no blow were struck, that $66,000 belonged to Tex Rickard and Jeffries absolutely, and they could throw it at the birds if they liked, $5,000 did not look very big after all.

The station at Reno was a scene of excitement all day. Every train from the coast unloaded fighters and fight followers at every gangway.

Late in the day "Tim" Sullivan took the spot light, but Frank Gotch, the wrestler, and a few lesser lights, some of them from across the Atlantic, came in for a share of public attention.

They Bank on Jeffries.

Jeffries' Training Camp, Moana Springs, Nev., July 1.—Jeffries held a levee today. He shook hands with some 200 men and nearly every one of the lot bears a name known to the sporting world from one end of the country to the other.

The thronging adherents of the white champion passed before him as he stood in front of the moving picture machine. Among them John L. Sullivan, George Harting, Tommy Burns, Abe Attell, Sam Langford, Battling Nelson, Bill Lange and Hugh McIntosh were prominent. To each Jeffries extended his hand and to each he accorded a smile.

After the photographing was over Jeffries strolled apart with Abe Attell. The two were in conference for nearly an hour.

Abe Attell was in Jack O'Brien's corner when the latter met Jack Johnson in Philadelphia less than a year ago. The bamtam weight told the undefeated heavyweight today that O'Brien made Johnson "look foolish" on many occasions during that fight. He said that Jeffries should use the same method that O'Brien employed against the black fighter. He illustrated the blows he would have Jeffries deliver, and Jeffries watched with concentrated attention.

After the talk, Abe declared that he was utterly taken by surprise at Jeffries' appearance. He said that he had been misled bp pictures of the former champion and before seeing Jeffries in the flesh had thought Johnson a 2 to 1 favorite.

"Now," Abe declared, "I think there is nothing to it except Jeffries."

Tommy Burns, from whom Johnson

But My Masters, wasn't it a game!

For fourteen long innings yesterday the Goldsboro Giants, with Gunderson on the slab, and the Wilmington Sailors, with Howard mounding, battled for fourteen long innings without a run, the break having come in favor of the locals just as the "shades of evening" were drawing near, score one to nothing. It was a pitchers' battle from start to finish in which Howard and Gunderson well shared the honors, the former allowing but seven

hits and the latter only six while the statistics otherwise evened up matters between the servers. The pity is that not more than 253 of the fans and fannies saw the game which was really one of the very best of the season.

In the first inning Sharp drew a pass and McDonald garnered one of the few hits after two were down, Daily popping to catcher, while for Wilmington Kluttz and Dubbs flew, to centre, Tydeman to short.

In the second Gates and Evans popped to Howard while Clancy flied to centre. Wilmington: Mills and Doak out second to first, Bacon ethered.

Third—Gunderson atmosphered, Brown out pitcher to first, Handibar flew to second. Wilmington: Burke fanned, Kite out short to first, Howard flew to second.

Fourth—Sharp out short to first, McDonald safe on error and stole second, advancing to third on Daily's out while Gates flew to centre. Wilmington: Kluttz fouled to right, who made a long run nearly to the fence; Dubbs flew to centre, Tydeman out pitcher to first.

Fifth—Clency out at first, Evans pitcher to first, Gunderson to first unassisted. Wilmington: Mills flied to first, Doak out pitcher to first, Bacon ethered.

Sixth—Brown singled through second and Handibar sacrificed but Sharp flew to short and the Mighty McDonald swung at three wide ones. Burke started Wilmington with a bingle through short and Capt. Bert, sacrificed but Reuben ethered and Kluttz died short to first.

Seventh—Daily started Goldsboro with a single by first, but Gates fouled to first and Clancy's drive was turned into a neat double Dubbs to Burke to Mills. Wilmington: Dubbs short to first, Tydeman flew to short, Mills pitcher to first.

Eighth—After Evans flew to centre, Gunderson was hit by a pitched ball

and advanced on Brown's single to centre, but Handibar flew to second who tagged Gunderson on the peg, Burke to Dubbs. Wilmington: Doak fouled to third on pretty catch behind the score board, Bacon was out rightfield to first, Burke singled by second and Kite was out second to first.

Ninth—Sharp flied to centre, (Dubbs made pretty leaping catch), McDonald flew to second, Daily fanned. Wilmington: Howard out second to first, Kluttz fouled to third and Ty. flew to centre.

Tenth—Gates out short to first, Clancy flied to second, Evans singled through second but was caught attempting second. Wilmington: Mills flied to short, Doak to right and Bacon fouled to catcher.

Eleventh—Gunderson flied to short, Brown ambled, Handibar singled to short, but Sharp flew to centre and McDonald flew to Tidy Ty at left field fence. Wilmington: Burke whiffed, Kite aviated to left, Howard out at first.

Twelfth—Daily flew to catcher, Gates atmosphered, Clancy flied to centre. Wilmington: Kluttz flied to center, Dubbs to left; Ty. singled by the Bull's nose but Mills was out second to first.

Thirteenth—Evans aviated to right, Gunderson out third to first, Brown singled through second and stole second but Handibar ethered. Doak flied to centre, Bacon out to first, Burke skied to left.

Fourteenth—Sharp aviated to centre, McDonald retired short to first, Daily swung at three wide ones. Wilmington won the game when Hawkins batting for Kite hit by first and went to second on error of rightfielder; Cooper then essayed the stick for Howard and sacrificed Hawkins who was forced by Kluttz at third; Dubbsy up and Kluttz stole second and went to third on error second, scoring when Dubbs hit high and long to centre.

Mirthful Musings.

Winning again!

Dubs and Burke poled out a couple each yesterday and it was Dubbs' aerial stunt in the 14th that brought in the winning and only run.

Like Banquo's ghost, Dubbsy's error won't down. But he played a star game and his bobble yesterday cost nothing.

Four games with Fayetteville next week, but the hope is not forlorn after that performance in Rocky Mount yesterday.

Let's forget the performance of Wednesday and crowd the park this afternoon. A needless grouch never served a good purpose.

Let's everybody to the park this afternoon. Both teams are playing great ball now and the Sailors look like winners for today's game.

The Railroad crew celebrated its change of management by walloping those Fayetteville runaways in good shape yesterday afternoon.

The Tidewater Power Co., has provided a number of additional gates to the cars at the park and the large crowds today will be handled with neatness and dispatch.

Walsh, Magnate Smith's new server, will go in the firing pit this afternoon and Kite will be at the receiving end. Stoehr and Daily will endeavor to entertain for a few innings for the Giants.

It is passing strange that with the headquarters of the League in Raleigh it is next to impossible to get anything like an intelligible score out of the capital city. Officials in other towns on the circuit are "Johnny on the spot" with the official figures, but from Raleigh, Nixy!

Owing to the crush at the ball park on Saturdays, as well as on some other days when the grouch is dispelled, Manager Smith has decided to rig up a limited number of reserved seats with cushions, in the grandstand just back of the catcher, and to open a box sheet at Struthers' where seats may be reserved by any who desire to secure this convenience for the small extra charge of ten cents. It will require a few days to provide this extra convenience but it will be along in good time for the games next week.

DRAWS COLOR LINE.

Whites and Negroes Will Not Hear Fight News Together.

Birmingham, Ala., July 1.—Mayor O'Brien tonight announced that negroes and whites should not be allowed in the same building in Birmingham to hear returns from the prize fight next Monday. Bulletins are to be received at several of the theatres and the Mayor announces that theatre managers must not prepare accommodations for both races in the same building.

The action is construed that race friction might arise during the progress of the fight even though the negroes were quartered in the galleries.

DELVIN TO PLAY AGAIN.

New York Third Baseman Back in Game July 4th.

New York, July 1.—President Lynch of the National League, announced tonight that Arthur Devlin, third baseman of the New York club, who was recently suspended for having engaged in a fist fight with a spectator on the Brooklyn grounds, would be eligible to play again on the morning of July 4th. Devlin has been absent from the New York line-up in six games.

AMERICAN YACHT WINS.

Took the Emperor's Cup in German Race Yesterday.

Travemuende, Germany, July 1.—The American yacht Westward won the Emperor's cup in the schooner race schooner race from Kiel to Travemuende today. The Germania was second and Hamburg third. The Emperor's yacht Meteor was towed in. The race was sailed in a strong breeze and rain.

LUYSTER WAS INEFFECTIVE

Lost Plate in Eighth With Bases Full, Forcing Two Home—Indian Refused to be Hit Safely at Opportune Times.

(Special Star Telegram.)

Rocky Mount, N. C., July 1.—Luyster's ineffectiveness and wildness in the eighth caused the breaking of the Highlanders' winning streak. The crew kept the lead throughout, due in large measure to their Indian's refusal to be hit safe in pinches. Luyster lost the plate with the bases full in the eighth and forced two runs across. The supporters are pleased with the new management and with expected strengthening in the next week or ten days the crew is expected to strike a winning stride that is now long overdue.

RCCKY MOUNT TEAM.

New Management in Charge—Pull Up From Cellar.

(Special Star Correspondence.)

Rocky Mount, N. C., July 1.—The Rocky Mount Baseball Club is under new management this morning and the proposition made by Mr. Lewis C. Levy at the meeting of the local directors last night was accepted. Mr. Levy, prompted entirely by a pride for his city and with the one thought hat Rocky Mount was no tailender own in anything else and that it should not be in baseball, he made the ocal moguls a proposition that looked good to them and the franchise was turned over to him, all of the players paid up, and the association begins anew with this afternoon's game, Mr. Levy acquired the franchise with a hope of pulling the Crew from their ong occupied cellar berth, and while the former management has done the best possible at all times, and stood by the association through thick and thin, Mr. Levy believes the same directors who gave Rocky Mount a team in 1907 that trotted away with the pennant can again be relied upon to rally the sporting element of the city. No denying that the former management has worked hard, and even stayed awake at night, in an effort to get the crew out of the bottom and it is generally conceded that luck has played its part in keeping them there.

Mr. Levy's plans include a board of directors named from the stockholders, and with the possible slight hange in the directorship of the team, affairs will be managed according to he same plan as they have been hereofore. It will be by no means a one-man affair, and the supporters and ans will be given consideration at all imes when such a thing is possible. Mr. Levy has hopes of winning before that time of course, however, he has little hopes of landing new men before a week yet, though he emphatically states that the weak spots in the team must be strengthened and the whole team set agoing at a pace that is a hummer. He has been keeping he wires hot since he acquired the franchise, while it has been decided o send a scout into the field within he next few days.

From a standpoint of being a true sport and for a most philanthropic act we take our hats off to Mr. Levy and we believe that the team that stems the Railroaders within a few weeks will certainly be going some. Mr. Levy is a successful tobacco man and a prominent member of the local tobacco board of trade, and though a young man, he is held in the highest of esteem by all who know him.

BURMAN WON AUTO RACE.

Took Honors in Open Event on Indianapolis Speedway.

Indianapolis, Ind., July 1.—Records went down in slashing motor races at the Indianapolis speedway today and Burman, driving a Marquette-Buick, was the hero of the opening events of a three day meet which is to include the 200 mile Cobe cup race next Monday.

Burman won the 50 mile and the ten mile races for cars of 231-300 cubic inches piston displacement and the 15 mile race for cars of 301-450 displacement. He clipped two minutes off the 50 mile record, going the distance in 40:3:07 and taking the honor away from Harroun, who held the previous record at 42:41:83. In the ten mile race he pulled the record from 8:16:08 down to 8:14:46.

Burman's team-mate, L Chevrolet, pressed him closely in the 50 mile race and beat him in the five mile race, for cars of 161-230 displacement. In this event Chevrolet cut the record from 4:41:17 to 4:40:8.

Burman's only disappointment was losing the Indianapolis speedway helmet, which is worth $50, a week to the winner. Hearne, with a Benz, took it away from him in the ten mile free-for-all event. Grant, driving the Alco car with which he won the last Vanderbilt cup race, easily led in the ten mile event for the heavy machines of 600 displacement.

WILSON WON IN POOR GAME

Score Five to Four in Favor of Tobacconists in Raleigh Yesterday. Beautiful Catch by Simmons on His Knees.

(Special Star Telegram.)

Raleigh, N. C., July 1.—In one of the poorest games of the season, Wilson won from Raleigh 5 to 4. A single sensational feature was a catch by Eimmons, who jumped the fence and caught a foul ball while balancing himself on his knees.

$3.50 Recipe Cures Weak Kidneys, Free

Relieves Urinary and Kidney Troubles, Backache, Straining, Swelling, Etc.

Stops Pain in the Bladder, Kidneys and Back.

Wouldnt it be nice within a week or so to begin to say goodbye forever to the scalding, dribbling, straining, or too frequent passage of urine; the forehead and the back-of-the-head aches; the growing muscle weakness; spots before the eyes; yellow skin; sluggish bowels; swollen eyelids or ankles; leg cramps; unnatural short breath, sleeplessness and the despondency?

I have a recipe for these troubles that you can depend on, and if you want to make a **quick recovery**, you ought to write and get a copy of it. Many a doctor would charge you $3.50 just for writing this prescription, but I have it and will be glad to send it to you entirely free. Just drop me a line like this: "Dr. A. B. Robinson, K-1251 Luck Building, Detroit, Mich., and I will send it by return mail in a plain envelope. As you will see when you get it, this recipe contains only pure, harmless remedies, but it has great healing and pain-conquering power.

It will quickly show its power once you use it, so I think you had better see what it is without delay. I will send you a copy free—you can use it and cure yourself at home.

DAY'S DOINGS IN RALEIGH

Mutual Insurance Company for Mount Olive—Special Term of Court. Barn Burnings—Water Not Good—State News.

(Special Star Correspondence.)

Raleigh, N. C., July 1.—The Corporation Commission issued today a call for reports of the condition of State, private and savings banks doing business in this State, at the close of business June 30.

The American Mutual Life Insurance Co., Mt. Olive, received a charter today with J. M. Lewis, N. W. Jarman and others as the principal incorporators for a general mutual life insurance business.

Tax-listers in Wake county say that there has been a markd falling off in the listing of personal property. They accoont for this on the ground that increase in taxes and the steady advance in the assessed value of real estate are causing many people to withhold personal property values.

Judge Cook is to convene a two weeks' term of Superior Court for Wake county July 11th, with indications that the docket will be well up to the average in the number of cases although there will be a decided falling off in the usual record of murder trials.

Col. J. E. Robinson, of Goldsboro, who is in the race for Congress in the Third district, spent the day in Raleigh and says that he considers his chances very good for the nomination. He is standing by pending the fight between Hood, Grady and Thomas and hopes to win in a deadlock between the others. Congressman Thomas is also making no fight for the nomination and his nomination will be the outcome of the close fight between the others in the race. Col. Robinson was here on business with the State Department of Education, he being the chairman of the Wayne county board of education. He says that Wayne is building more new and up-to-date public school houses than any other county in the State and that the educational interests in Wayne were never more alive and promising of real permanent progress.

The June number of the Bulletin of the North Carolina Board of Health just issued announces that three separate analyses of Veronica Water on sale in many parts of the State have shown it to be impure to a degree that makes it dangerous to the public health. The announcement is in compliance with a State law requiring the examination of all mineral waters offered for sale in the State and the publication of those found to be impure.

A reward is offered by Governor Kitchin for the arrest of the unknown parties who set fire to the farm barn of Mrs. D. E. Wilkerson, in Caswell county. The amount is $100.

Dr. C. M. Bell, at Wakefield, this county, lost his fine barn yesterday, the fire being of unknown origin. The damage was $3,000, and the flames were kept from the Bell residence with the greatest difficulty. Indeed the flames threatened one while to destroy a large part of the town or Wakefield.

TRACK WAS BLACKED.

Slight Wreck at Rocky Mount—Picnic in Nash.

(Special Star Correspondence.)

Rocky Mount, N. C., July 1.—Shortly before 7 o'clock last night a shifting engine and three cars were passing over the "eight point" switch just above the passenger depot, when the switch worked wrong and three box cars were turned over, blocking the main line of the Atlantic Coast Line during the major part of last night. The wrecking crew was put to replacing the cars and for four hours the three cars made trouble before they could be returned to the track. The night shoofly trains and the through trains were inconvenienced in getting into and out of the passenger station and it was necessary to use the pass tracks. No one was injured in the derailment.

Among the independence day events in Nash as planned by the young people will be a large picnic and barbecue at the Vance Bottom's Springs in Cooper's township in Nash county. A large crowd is expected to be in attendance and there will be families from all over the county present that day with baskets.

Long Distance 'Phone Service.

(Lumberton Robesonian, July 1.)

Two forces of hands are coming this way from Wilmington with long-distance telephone lines. They are now about 15 miles below Lumberton and will reach this place in about two weeks; and then Lumberton will have long-distance service, a convenience not heretofore enjoyed here and the lack of which has been greatly missed. Good progress is also being made in installing the Bell system in town.

Farmers' Union Picnic.

(Lumberton Robesonian.)

Four local unions—Centenary, Students' Hope, Alfordsville and Branchville—will give a picnic at Alfordsville Friday, July 8th. Mr. Clarence Poe, editor of the Progressive Farmer, will deliver an address on agricultureal education. Members of the Union will furnish dinner. Everybody is invited.

PENDER COUNTY PRIMARY.

Thomas Leads for Congress—Business Men's Association—Ball.

(By Long Distance Telephone.)

Burgaw, N. C., July 1.—The Democratic County convention of Pender was held today noon in the Court House and proved a most interesting and enthusiastic gathering of the stalwart Democracy of the county. The convention was called to order by E. L. Larkins, Esq., chairman of the executive committee, after which Hon. Jas. F. Moore, of Currie, was called to preside as permanent chairman. Mr. Moore made a ringing address in which he referred enthusiastically to what he conceived to be the mission of Democracy and admonished the party in Pender to cling to those cherished traditions of the past, which have made Democracy militant for all time.

No vote was taken as to the relative strength of the candidates except for Congress, and as near as can be ascertained, the 30 votes of the county in the convention at Goldsboro on July 7th, will be divided as follows: Thomas 13, Duffy 3, Faison 3, Hood 1. There was no instruction as to the State ticket, but the delegation will stand approximately six for Allen and one for Manning. There was also no instructions for the solicitorship, but Williams, of Duplin, will lead with half or a little more of the delegation, the remainder being divided between Grady and Shaw.

An enthusiastic meeting of the Business Men's Association, Mr. A. B. Croom, Jr., the president, presiding, was held tonight for the purpose of discussing better fire protection for Burgaw. After discussion by the 20 or more leading citizens present, it was decided to recommend to the town authorities the purchase of a chemical engine, the putting on of night watchman and that citizens as far as possible provide themselves with means of protecting their own immediate premises. It was also decided to appoint a committee to further a movement for a bond issue of $35,000 or more for the installation of a first-class waterworks and sewerage system for the town.

In an interesting ten-inning game of baseball here this afternoon Burgaw defeated Rose Hill and Magnolia by the score of 9 to 8. The batteries were Rivenbark, Bannerman and Bannerman for Burgaw, and Bradshaw and Hatcher for the visitors. Umpire, Mr. Ross McNeal.

DEATH IN NASH.

Mrs. W. A. Sanders Near Bailey's—Republicans Are Active.

(Special Star Correspondence.)

Spring Hope, N. C., July 1.—News reached here this morning of the death of Mrs. W. A. Sanders, which took place at her home near Bailey last night. Her death was caused by typhoid fever. She was the mother of Messrs. Walter and Oscar Sanders, of Spring Hope. Being well known throughout Nash county she had many friends. The funeral services will take place today, the interment being in the family burying grounds. Besides the two sons at Spring Hope, she is survived by one other son and several daughters. All live in Nash county.

The Republican precinct meetings for Nash will be held Saturday, and the county convention will be pulled off at Nashville the coming Monday, July 4th. The Hon. I. M. Meekins, of Elizabeth City, and the Hon. Marion Bulter, have been secured by the Hon. John C. Matthews, Republican leader of the county and would-be Spring Hope postmaster, to exhort the faithful at the convention the coming Monday. It is not known, of course, what the eminent speakers will talk about—whether it will be a matter of clearing up their records—Meekins his Elizabeth City postmaster fight record and Bulter his record in helping outsiders recover from North Carolina on old reconstruction bonds—or whether they will make an effort to show how the National Republican party has brought prosperity.

WAKE PRIMARIES.

Final Vote Announced—Manning Leads Allen—Other Notes.

Raleigh, N. C., July 1.—The final umming up of the Wake Democratic rimary with all returns, shows that he total vote was 5,190. Manning re-ei-ed 113 majority over Allen for the upreme Court Justiceship. For the Superior Court judgeship, sixth district, Frank Daniels' majority was 395 ver Clifford; H. C. Brown, 2,984 majority over L. C. Bagwell for Corporation Commissioner. Graham, for Western Commissionership, received 2,659; W. T. Lee 1,478 and Pearson 251 for the long term.

MANNING STATEMENT.

Foushee Says That His Candidate Will Win.

(Special Star Telegram.)

Durham, N. C., July 1.—Upon the eve of the conventions over the State tomorrow Senator Foushee, campaign manager of Judge Manning, said: "We are entirely satisfied with the situation. Our friends are actively and systematically at work everywhere and no man ever had a more loyal or devoted following than Judge Manning. They can and will deliver the votes. I stand by my prediction. Judge Manning will be nominated in Charlotte."

Spent the Day in Massachusetts—Ex-President Mum on Politics.

Boston, July 1.—A visit to his old friend and former cabinet officer, Associated Justice William H. Moody, of the United States Supreme Court, who is now being treated for rheumatism in a private hospital in Brookline, ended ex-President Roosevelt's visit to Massachusetts. He returned to New York this afternoon.

On matters political Col. Roosevelt was silent. Frequent efforts were made to have him express his opinions on the defeat at Albany of the direct nominations legislation favored by him and Gov. Hughes, but he declined to discuss the matter.

The statement that Col. Roosevelt would return to Massachusetts in the Fall and take part in the Republican State campaign, was made by Senator Lodge today.

The Senator said: "Col. Roosevelt is a remarkable man in many ways. He has a wonderful—an astonishing hold—on the American people. Colonel Roosevelt will not talk politics. There is no doubt, however, that he will talk later and may have something important to say. I expect he will speak here in the campaign. Colonel Roosevelt is a wonderful vote-getter and his influence will be helpful in the Fall.

"As to the visit to President Taft, all I can say is that it was most enjoyable. As to the political side, it may bear fruit later."

MIDSHIPMAN THOMAS BURIED.

Last Honors to Hero Who Sacrificed His Life For Another.

Annapolis, Md., July 1.—The last honors were paid this afternoon to Midshipman Grisby A. Thomas, of Union Point, Ga., who according to the finding of a Board of Inquiry, sacrificed his life in an effort to save another in the triple drowning in the Severn river Tuesday afternoon. The funeral was held from the academy chapel, Chaplain Henry H. Clark, officiating, and interment was made in the naval cemetery here, in accordance with the wishes of the relatives of the dead midshipman. Military honors were accorded and the pall bearers were members of the academy rifle squad to which Thomas belonged.

The mother wan unable to attend the funeral, but a number of relatives and friends from Union Point and elsewhere were present.

ALL UNSTRUNG

Many Wilmington People Suffer From Nervous Troubles and Don't Know Why.

Thousands of cases of kidney trouble show few outward symptoms except nervousness, depression, languor irritability and an inclination to worry over trifles. It is generally due to the poisonous action of uric acid on blood and nerves, and cant's be cured except by curing the kidneys. Doan's Kidney Pills cure these ills by curing the kidneys. Wilmington women are learning it. Here's a local case:

Mrs. J. E. Marshburn, 516 Castle St., Wilmington, N. C., says: "I suffered a great deal from backache and pains through my loins. Headaches were common and the kidney secretions were unnatural. I always felt tired and languid and little like doing my housework. Doan's Kidney Pills, procured at Robert R. Bellamy's drug store, cured me and improved my health. I am willing to publicly endorse this reliable remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Why Have an Overheated Kitchen in Summer?

When the sultry days come and the coal range makes the kitchen almost unbearable and cooking a dreaded task, put out the range fire and try the newest method of cooking in hot weather—use a

New Perfection
WICK BLUE FLAME
Oil Cook-stove

What a contrast! The kitchen no longer is stifling hot, the work is now done with comfort, and the housewife is not worn out with the heat.

Cautionary Note:—Be sure you get this stove—see that the name-plate reads "New Perfection."

She saves her strength, keeps her health and is better able to enjoy the summer.

The New Perfection does everything that any other stove can do—all the family cooking, baking, washing and ironing. No smoke, no dust, no odor. Heat is applied directly and not wasted. A turn, and the flame is out.

The New Perfection stove has a Cabinet Top with shelf for keeping plates and food hot, drop shelves for the coffee pot or saucepans, and nickeled towel racks.

It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove very attractive and invites cleanliness. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet.

FULL ASSOCIATED PRESS REPORT.

PUBLISHERS' ANNOUNCEMENT.

THE MORNING STAR, the oldest daily newspaper in North Carolina, is published daily except Monday, at $6 per year, $3 for six months, $1.25 for three months, 50 cents for one month, served by carrier in the city or by mail.

THE SUNDAY STAR, by mail, one year, $1; six months, 50 cents; three months, 25 cents.

ADVERTISING RATES may be had on application and advertisers may feel assured that through the columns of this paper they may reach all Wilmington, Eastern Carolina and contiguous territory in South Carolina.

Obituary sketches, cards of thanks, communications espousing the cause of a private enterprise or a political candidate, and like matter, will be charged at the rate of 10 cents per line, or if paid cash in advance, a half rate will be allowed. Announcements of fairs, festivals, balls, hops, picnics, society meetings, political meetings, etc., will be charged under same conditions except so much thereof as may be of news value to readers of the paper.

Advertisements discontinued before expiration of contracts are charged transient rates for time actually published. Payment for transient advertisements must be cash in advance. Contract advertisers will not be allowed to exceed their space at same rates or advertise anything foreign to their regular business without extra charge. Advertisements to occupy special place will be charged for according to position desired.

TELEPHONES: Business Office No. 51; Editorial and Local rooms No. 61. Call either if the other doesn't answer.

COMMUNICATIONS, unless they contain important news, or discuss briefly and properly subjects of real interest, are not wanted; and if acceptable in every other way, they will be invariably rejected unless the real name of the author accompanies the same, not necessarily for publication but as a guarantee of good faith.

Saturday, July 2nd, 1910.

A poet has written some new verses on "Love's Young Dream." It is the same old story that often has its sequel in "A Nightmare."

When he was getting ready to leave Washington Speaker Cannon declared that he bore no malice toward any of his enemies. Wherefore, the Louisville Courier-Journal suggests that some one must have passed Uncle Joe the juleps before he spoke.

We note in a contemporary that a young man inquires: "How can I get into swell society?" Why don't he work for his own money? However, swell society has had its eye-teeth cut so many times it is now almost impossible to get into them, even for the juleps.

President Diaz, of Mexico, who was re-elected last Sunday, has served Mexico for 30 years as its Chief Executive. Evidently the Mexicans do not believe in the North Carolina rotation that sametimes turns out a good man to experiment with another who wants an office.

The offices belong to the people but the emoluments thereof belong to the men who hold the offices in trust for the people. It is the emoluments and not the offices that create so much disturbance among Republicans. It is hardly necessary to mention Democrats, for they are in the family.

President Taft is trying to take a rest at his Summer home at Beverly, Mass., We bet he is awfully tired after working so hard to keep in with the Republican party and at the same time endeavoring to protect the people's interests which seriously conflict with about all that a Republican Congress wants to do.

The Atlanta Constitution advocates "a clean campaign" between the three candidates for Governor—present Governor Joe Brown, the Hon. Hoke Smith, and Judge John Hart. So far as Smith and Brown are concerned, "we know in reason", as they say over in Georgia, that they are heartily in favor of cleaning up each other, even to mopping up all the red hills of Georgia with each other's political record.

The most poignant disappointment that the Colonel could inflict upon Democrats would be for him to doggedly persist in not becoming an insurgent. However, he meets insurgents and they become inflated with his greatness. He meets Taft and they hug and chuckle. He is neither a regular nor an insurgent. He is the man with the dope and they all take it with a puzzling unanimity of alacrity.

President Taft promised and urged economy but his Republican Congress appropriated more than a billion dollars at the session just closed. The President also promised a revision of the tariff downward but his Congress revised it upward. This shows that a President who cannot do his own legislating should know better than to make rash promises that are beyond his jurisdiction. He should know that he is merely the suggester and not the legislator.

Uncle Joe does not appear to be fishing for an invitation to Sagamore Hill to be consulted by Col. Roosevelt. For instance, upon the eve of leaving Washington a few days ago, he shifted his cigar, scratched his head, and said to a newspaper man: "Why, if I could play upon all the keys of the world as Theodore does, I—well, in the words of a Western Senator, whom I won't name, but you may figure him out—I would say 'God rested when he made me and was glad!'"

BUNGLESOME PRIMARIES.

If anything has been demonstrated by the recent Democratic primary elections and primary meetings which were held throughout the State last Saturday under the new plan of party organization in North Carolina, it was that no more unsatisfactory, complex and bunglesome plan could have been devised if an attempt had been made to establish a plan that had no systematic plan of organization in it. In some counties there was something like a real primary election with more or less satisfactory results, in others there were various kinds of primary meetings that didn't seem to have any head nor tail about them, while still in other counties there were mass-meetings in which the delegates, or whoever dropped in, might have been from one or two townships in the entire county, yet they were supposed to act for the Democracy of the whole county. The result of all this abortion of an organization is that there will be more misunderstandings and contests in the county and district conventions than have ever been heard of in the previous history of the Democratic party in North Carolina.

Some of the experiences at the so-called primaries would be amusing and ludicrous if it weren't such a serious matter. We hear of it on all sides in this part of the State and we know of no better illustration of the total impotency of the present manner of making nominations than those instances which can be picked up all over the Six Congressional District. We shall not mention the various misunderstandings that occurred in numerous primary meetings, but it is worth while to refer to a notable instance furnished by the Lumberton primary. The Star has already published a reference to that primary made from the pulpit last Sunday by a Lumberton minister, and we observe that the circumstances which called forth the remarks, which were a little out of place in the pulpit, are being commented upon throughout the State.

One of the comments which we gather is this from the Charlotte Evening Chronicle:

"A dispatch from Lumberton to the Greensboro News represents Rev. E. M. Hoyle, pastor of the Methodist church there, as making charges of rather a serious nature against the management of the Democratic primaries, and these charges were made from the pulpit. He is said to have moralized on the fact that "a Democratic primary, held in this town the afternoon before composed of 243 people, cast 315 votes.' Mr. Hoyle is further reported as saying that he 'saw one man put in several votes at one time.' As a rule, there is more or less laxity about the primaries in each party than at the regular elections, where the rules and regulations are strictly observed, but such a thing as a ballot stuffing has never been countenanced, nor are men not registered permitted to vote. We have seen that tried. We are inclined to believe that Mr. Hoyle has been imposed upon by some Democratic joker or some malicious Republican. At any rate, a matter of that kind was hardly important enough to have been dignified by a pulpit deliverance."

If anything were needed to show how absurd was the primary at Lumberton, the Lumberton Robesonian of June 30th furnishes it to us. For instance, the Robesonian, copying what the Charlotte Chronicle said and commenting upon the same, says:

"We understand that Mr. Hoyle's reference was purely incidental and illustrative. That primary was the most blundering and bunglesome affair imaginable. To begin with, Godwin supporters and McKinnon supporters were divided, and hats were passed to collect votes. Under that plan it is not at all surprising that some irresponsible persons should have dropped in more than one vote. Mr. Hoyle stated positively that he 'saw one man put in several votes at one time.' We do not know for whom those extra votes were cast, but if much of that was done it would of course make a difference in the number of votes coming to the two men in the county convention."

In these primary abortoins the votes were taken in various ways, but the passing of hats to select a Congressman, in a contest equivalent to election, is the limit. It indicates a primitiveness that was not exceeded even in the general election in reconstruction days when men wrote out their tickets on any old piece of paper and deposited them in a tobacco box nailed to the sweep of an old-fashioned gin. Even from Greensboro comes news that State Chairman Eller had to be called upon to construe these incomprehensible and puerile plans, but this is sufficient without going into details concerning the disjointed plans under which Democratic nominations are made throughout North Carolina.

"It takes North Carolina about four weeks," remarks the Greenville (S. C.) Piedmont, "to get through with its primaries, nominating conventions, etc. In South Carolina it is over with in one day." While it is not quite four weeks, as our South Carolina contemporary remarks, it is anywhere from one to two or three weeks before we get through making nominations that ought to be made in one day by a uniform plan that should apply alike and be enforced in every county in North Carolina. It is about time the Democratic party in North Carolina should adopt some legalized nominating plan that will not get its methods in contempt at home and abroad. As it is now we have three plans that we know of, and probably there are others, for selecting delegates from dicerent counties for the several conventions—county, district and State. If we cannot get up an approved plan of our own, we might look around somewhere and borrow one.

SPEAKER DOWD.

The Hon. W. C. Dowd, of the Charlotte Evening News, has been renominated by the Mecklenburg Democracy for the lower house of the North Carolina General Assembly. This indicates his abiding popularity and is an endorsement of his faithful and distinguished service in the Legislature. Of course, he will be elected and he is once more a candidate for Speaker of the House, an ambition which he has twice before indulged. He came within an ace of winning the honor before and if he had done so he would have made a capital presiding official.

Mr. Dowd possesses the ability, the comprehension, the keenness and the urbanity that qualify him for this eminent position, and his elevation to that dignity will be paying an honor to the press of North Carolina. The Democratic press is a powerful ally of the party, and Editor Dowd is one of its most distinguished representatives. Any recognition of the editor of such a strong and influential Democratic paper as the Evening News will be pleasing to his brethren of the press from the majestic Cape Fear to the nymphic Swannanoa.

Silence at the wrong time does as much harm as talking too much all the time.

A Republican can become a Democrat by turning over a new leaf. It's just as easy!

There are two kinds of Republicans who go to Sagamore Hill—those who are invited in and those who butt in.

Col. Roosevelt has proven that an ex-President may not necessarily become so inconsequential as a Vice President.

A Baltimore philanthropist contends that "poverty is a disease." Upon a closer diagnosis the gentleman will also find that the disease is chronic in all countries.

In Missouri, John Breckenridge, a blacksmith, is a candidate for the United States Senate. If he is elected he can help hammer the life out of he high Republican tariff.

The Colonel should have another degree added to his concatenation of honorary degrees. Just for greens, it should be T. Roosevelt, E. D. Isn't he the Elephant Doctor now?

"How to make Northern States Democratic" is a problem which Northern Democrats are endeavoring to solve. The quickest way to do it would be to induce emigration from the South.

There is a dispute whether a dead Scotchman or a living Irishman invented the pneumatic tire. It strikes us that the Scotchman is not in a position to deny the Irishman's claim. He can't stand Pat.

The Norfolk Virginian Pilot remarks: "The Columbia State perpetrates the atrocious pun that Diaz will die as President of Mexico." Anyhow, isn't the Greaser pronunciation of Diaz—Deeothz?

What difference does it make if Congress did spend a billion dollars? This is a billion dollar country, and for that reason the Democracy should take charge in order to remove such enormous temptation from the Republican party.

Barring the Hamiltonian ideas of Governor Hughes and his strong leaning to the sepecial interests to which the Republican party is wet nurse, if he is the incorruptible, fair-minded, just man that he is supposed to be, that same Hughes would better serve the people of the United States, in the protection of their rights and liberties, as a member of the United States Supreme Court than he would if he permits Colonel Roosevelt to seduce him to occupy the position of stool-pigeon to hatch out schemes for saving the Republican party in New York.

Because the late Senator McEnery, of Louisiana, was a protection Democrat, President Taft lauds him as a "patriot possessed of the highest sense of duty." An insurgent Republican is a protectionist who is opposed to making tariff protection a system of robbery. In the eyes of President Taft an insurgent is not a "patriot possessed with a high sense of duty." When men are banded together under different party names but with the same object in view (protection of special interests), their opinions of each other are of a high order. Opinions don't differ as long as interests are identical.

Taunted by the Democrats with the fact that a Republican Congress appropriated a billion dollars of the people's money, Republican papers admit it and retort that "this is a billion dollar country." There is something in that and hence we have long since come to the conclusion that it is entirely too risky to trust a billion dollar country any longer to the hands of the Republican party. It certainly isn't safe or wise to take any further chances.

CURRENT COMMENT.

Parties in England were locked in a death struggle when the King passed away, but a truce was immediately called that has been kept. With us the same result followed the declaration of war against Spain and all joined to mourn the death of McKinley—there is something fine about the old race after all.—Jacksonville Times-Union.

Friends of Major Stedman claim that he will start in the convention with about 150 votes; there are 408 votes in all; the remainder will be divided up between the other three candidates—Mebane, Jones and Royster. With a fraction over 204 votes necessary to nominate, it will be seen that there is opportunity for a lot of fun for the politician who knows how to pull the strings.—Greensboro Telegram.

"Anybody hunting for a genuine case of dry grins might be able to find it by making a close canvass of the anti-Godwinites of Robeson county."—Charlotte Chronicle. Why bless your heart, mister, the result was so well known long before last Saturday that some deserted McKinnon and went into the Godwin camp in order to be on the winning side and to claim a hand in rolling up the majority. And we do not believe that among those who were game enough to stand by their man there are any cases of "dry grins." The result is accepted cheerfully and the nominee of the convention will be supported loyally.—Lumberton Robesonian.

Mr. T. H. Walters, of Raeford, joins the Robesonian in advocating the salary system for county officers. We believe with him that when it comes to a vote the people will express themselves in its favor. A bill was passed three years ago giving Robeson the privilege of voting on this question. It is the only business way of paying county officials and the county would unquestionably save thousands of dollars each year. Why should a county turn its various departments over to men for what they can get out of them? No very strong reason can be advanced for such a method. Let the people vote on the question and say whether or not they are in favor of this unbusinesslike method.—Lumberton Robesonian.

The Wilmington people are certainly princely entertainers. This fact was impressed upon every editor who attended the Press Convention. No more lavish and cordial hospitality have we ever seen exhibited than was showered upon the editors. Mr. James H. Cowan, editor of the Dispatch, was at the head of the entertainment committee, and he can not be surpassed in the State. Those Wilmington people simply make you believe that they enjoy your visit and that they just can't do enough for your pleasure and comfort. That is the impression one gets on such occasions as the Press Convention, and our townsman, Mr. F. H. Stedman, says they really take the keenest delight in entertaining folks. And he knows, for he was for many years one of them.—Fayetteville Index.

If the present Republican organization, so-called, which is nothing more nor less than a pie-counter ring, wants to build up the Republican party, elect more Congressmen, and carry the State Republican, why does it and its organ constantly and continuously fight and abuse Congressman Morehead, and refer to him and all other recruits as "near Democrats," as "mill Democrats," and as "commercial Democrats?" This is not only offensive to all of the recruits who have recently joined the party, but it is also notice to the great independent element of the State that the organization (so-called) does not want them to come to the party and will not welcome them. The Republican party can never carry North Carolina unless it gains several thousand more recruits, and there is no place to get these recruits except from the Democratic party. The pie-counter bosses are, of course, frightened for fear that enough recruits will came from the Democratic party to make North Carolina a Republican State. When this is done, they are, of course, out of business.—Raleigh Caucasian (Rep.)

As a general rule the Democratic primaries in Sampson were better attended last Saturday than for years, there being only one or two exceptions; and unusual interest was taken We are glad to hear this, and hope it is a good omen, and that it means that the Democrats of Sampson are starting in for a vigorous and interesting campaign this year, and that their interest may not abate from now till the election in November, in an effort to do our full duty by the whole Democratic ticket—in the State and all district elections; and most especially in an effort to free Sampson county from Republican rule, whose record shows them up to be without a parallel among the counties of the State, in all its history, in point of recklessness, extravagance, non-performance of duty, and a mockery of a government in general. It is to be expected that next Saturday's convention will be well attended, for one of its kind, and at this busy season of the year, the weather permitting; as the supporters of the various candidates are very much in earnest for their choice, which is perfectly right. In the primaries and conventions are the places to work for your choice. So come out, gentlemen, it is only one day, and show what interest sampson Democrats can take in politics, and also what good Democrats there are in Sampson; notwithstanding the fact that we have failed to carry the county for many years. Let the outside world know that we propose to keep vigilantly at work till Sampson comes back to her own Democray. —Sampson Democrat.

FOURTH ANNUAL MEETING

Architects of the State Hold Sessions in Elks' Temple, in This City—Interesting Papers on Programme Today.

With the largest attendance in the history of the organization, the fourth annual meeting of the North Carolina Architectural Association convened in the lodge room of the Elks' Temple, this city, yesterday afternoon at 3 o'clock with the president, Joseph F. Leitner, of this city, presiding. The sessions of the organization were to have been held in the assembly hall of Seashore Hotel, Wrightsville Beach, but the date conflicted with the Master Builders' Association and the architects readily consented to hold their sessions in the city and give the convention hall at the Seashore over to the other organization.

There were 27 members of the association present when President Leitner called the meeting to order yesterday afternoon. This is by far the largest attendance in the history of the organization. In addition to these there were present three prominent architects whose applications for membership will probably be passed upon today, making a total of 30 architects here for the meeting yesterday. Others arrived last night and still others are expected today. Many of the architects are accompanied by their wives and other members of their families.

The visitors were heartily welcomed to Wilmington by President J. F. Leitner in a characteristically pleasing and eloquent address. He told the architects that it was indeed a great pleasure to have the annual meeting here again and if there was anything they wanted all they had to do was to say the word. The architects have met here before and they know that their stay will be made pleasant as it is possible for the local architects to make it. The response was by Mr. W. G. Rogers, a prominent architect of Charlotte, who declared that he felt sure that he voiced the sentiment of every member present when he said that the association was glad to meet in Wilmington again and enjoy the unlimited hospitality of the people of this city and section.

President Leitner appointed the following as a committee to look after the placing of a monument at the grave of Mr. Bauer, formerly an architect of Raleigh: Messrs. C. W. Barrett, H. P. S. Keller and C. E. Hartge, of Raleigh. The remainder of the afternoon session was taken up with a discussion of matters of interest to the architects.

Among those who had arrived yesterday afternoon are: W. H. Lord, Asheville; F. A. Weston, J. H. Hopkins and W. L. Brewer, Greensboro; C. W. Barrett, F. K. Thomson, H. P. S. Keller and C. E. Hartge, Raleigh; C. C. Hook, W. G. Rogers, J. M. McMichael, L. L. Hunter, F. Gordon and E. J. Stern, Charlotte; H. W. Simpson, Newbern; H. C. Linthicum and G. R. Rose, Durham; J. S. Zimmerman and W. C. Northrop, Winston-Salem, and J. F. Leitner and L. A. H. Koeth, Wilmington.

The art exhibit is being placed in position in the assembly hall of the Seashore Hotel, Wrightsville Beach, headquarters of the architects, and will be open for the inspection of the public today, tomorrow and Monday.

The session this morning will convene at 10 o'clock and the following are among the papers that will be read: "Necessity of an Architectural License Law," by Mr. Hill C. Linthicum, Durham; "History of the Association," by Mr. Chas. C. Hook, of Charlotte; "The Mistake of Architectural Competition," by Mr. Joseph F. Leitner, of this city. The afternoon session, at which officers for the ensuing year will be elected, will convene at 3 o'clock.

Six Months on Roads.

In the Recorder's court yesterday morning John Williams, colored, was given a hearing on the charge of stripping an automobile of brass, being caught in the act as related in The Star Thursday morning. He was found guilty and sentenced to six months on the county roads. Hallie Thornton, a white man, from Teachy's, was sentenced to 30 days on the county roads, but judgment was suspended upon condition that he leave the city. A Greek, arrested a few days ago for keeping his store at Fifth and Castle streets open on Sunday, was discharged. The only witness against the defendant was a negro youth, apparently five or six years old, and the Recorder ruled that he was not competent to testify.

SEVERAL FINE PAPERS READ

Fourth Day of "Bishop's Retreat" at Wrightsville Beach Featured by Reading of Five Splendid Papers.

The reading of five excellent papers, all being on the English Reformation, featured the fourth day of the "Bishop's Retreat" being held at the chapel on Wrightsville Beach. The papers were especially fine and were listened to with evident interest by the clergymen in attendance.

Th first paper was read by Rev. B. F. Huske, of Greenville, and was entitled, "New Learning: Colet, Arasmus and Moore. Attitude of Henry VIII Toward New Learning." He introduced the subject with some of the historical events about that time, such as the discovery of America, which had aroused the interest of the world and stirred the inquiring spirit, and showed that the time was ripe for the spread of knowledge and the new learning. Mr. Huske showed in a most interesting manner how the three scholars named stirred the intellectual life of all Europe.

The second paper was read by Rev. W. E. Cox, rector of St. John's Church, this city, "Reformation Under Henry VIII to the Death of Thomas Cromwell, Doctrinal." The purpose of the paper was to show how the doctrines of the church were affected in England by the Reformation. The substance of the paper was the bringing out of the fact that the changes that were made were not any deviation or alteration of the fundamental doctrine of the church as held in the days of the Apostles and the few centuries immediately after the days of the Apostles. The changes were simply the throwing off of the incrustation of so-called doctrine that had grown up around these apostolic doctrines through the influence of the Roman Church.

This was followed by a paper on "Reformation From Death of Thomas Cromwell to Death of Henry VIII," by Rev. B. S. Lassiter, of Hertford, sketching chiefly the political astuteness of Henry VIII. in his political policies. An interesting paper on the same subject was read by Rev. Jos. W. Fulford, of Pessama, N. C. The fifth and last paper of the day was read by Rev. Wm. H. Milton, D. D., rector of St. James' Church, on "The Reformation Under Edward VI." It was well prepared and listened to with interest from beginning to end. The discussion that followed all the papers was vigorous and full of interest as usual.

Tomorrow there will be an early celebration of the Holy Communion at the beach chapel at 8 o'clock, and there will be an evening service and sermon at 8:30 o'clock. Both services will be open to the public and the visitors and residents on the beach are cordially invited to attend. Several of the clergymen will come up to the city at 11 A. M. tomorrow and worship as they feel disposed. Rev. F. N. Skinner, of Beaufort, will preach at St. Paul's church, and Rev. Jos. W. Fulford, of Jessama, will fill the pulpit at St. John's church.

CHANGE IN SCHEDULE.

Arrival and Departure of New Train Wilmington to Sanford.

The Atlantic Coast Line will make a slight change in the schedule of one of its trains tomorrow.

The new train for Fayetteville and Sanford which was put on last Sunday and scheduled to leave Wilmington at 5:25 P. M. daily, will leave hereafter at 6:30 P. M. on Sundays but maintains the schedule during the week days as at present; leaving Wilmington at 5:25 P. M.

The change is made to enable the Sunday excursionists to spend slightly more than an hour longer in Wilmington and is therefore an improvement.

As previously announced, the Sunday excursion rates to Wilmington are $2 from Sanford; $1.50 from Fayetteville; 25 cents from Richards; and proportionate rates from intermediate points.

There will be no other changes in these trains, which leave Sanford at 6 A. M. and 3:30 P. M.; Fayetteville 7:25 A. M. and 4:50 P. M.; arriving Wilmington at 10:35 A. M. and 8:05 P. M., every day in the week. The morning train will continue to leave Wilmington at 8:45 A. M., daily.

RULING TAKES TAX OFF.

Puts Grits and Meal in Different Class in South Carolina.

An important ruling of the Commissioner of Agriculture of South Carolina in regard to removing the tax from grits and meal in that State will be learned of with interest by Wilmington jobbers and manufacturers.

A law was enacted by the South Carolina Legislature some time ago placing a tax of 25 cents a ton on concentrated feed-stuff in that State. The commissioner at first ruled that grits and meal came under this law and since has been collecting the tax. A protest was made and the commissioner yesterday withdrew from his former ruling. The Boney & Harper Milling Company, of this city, which does considerable business in that State, was informed yesterday of the change.

ESCAPED FROM PEST HOUSE.

Two Smallpox Patients Grew Tired of Confinement.

Arthur Tilley and Eky Allen, colored, who have been at the pest house for several days under treatment for smallpox, made their escape Thursday night. Allen was captured in a restaurant at 2 o'clock yesterday morning by Health Officer E. Piner and taken back to the pest house, but efforts to locate Tilley proved futile. Relatives of Tilley told the officers that they would not let him in their home and it was thought probable that the negro returned voluntarily during the day to the pest house.

Durham Excursion Today.

A Sunday School excursion from Durham, the second of the season from the "Bull City," is expected to bring a large party to the city and beach today. The excursion is by the East Durham Methodist and Baptist Sunday Schools and comes via the Durham & Southern and Coast Line, which is the quickest route to the sea coast.

TOOK EARLY MORNING RIDE

Daring Youth From Council's Jumps on Shifter, Opens Wide the Throttle and Plunges Engine in Sand Bank.

L. G. Meares, of Councils, apparently about 18 years old, believed to be of unsound mind, yesterday morning about 7 o'clock, jumped on a Coast Line shifter on the old coal chute track on the local yards, opened wide the throttle and sent the engine plunging down the track toward the river at a rate of about ten miles an hour, burying the engine deep in a sand bank at the terminus of the track only a short distance from the river. Like the true and tried engineer the lad remained at his post until the engine had been derailed and had ploughed its way through the sand for a considerable distance, causing it to stop.

He then coolly got out of the cab and walked calmly up the track toward the point from whence he started. Mr. Thomas Lawther, engineer on No. 323, had seen the engine speeding down the track with its embryo engineer and had notified the yard master's office. Mr. D. C. Allen, the night yardmaster, left immediately for the terminus of the coal chute track and met the youth as he was returning from his early morning ride. Mr. Allen took the youth in charge and later placed him in the custody of Mr. S. A. Futrelle, nightwatchman on the yards, and a short time afterwards the young man was taken to police headquarters, where he is still confined.

Meares told the railroad men that he wanted to go home and thought that the engine would take him there. He made the same statement to a Star representative in the afternoon, but added, however, that he never wanted to see another engine of any kind or description, or even a hand car, for he did not like the close confinement of a prison cell. He said that he endeavored to stop the engine but the harder he tried the faster the locomotive moved. He was determined not to jump and declared that he would have stayed in the cab had the engine plunged into the river. Meares stated that he was in one wreck before—the wreck of the Seaboard "Taft Special" on the night of November 9th—in which his arm was broken. It was suggested that probably he wanted to get it broken up again, but he declared that such was not the case, for he had not received any money from "the company" for his other experience.

The distance from the point the engine started to the terminus of the track is 600 or 800 yards and had there been a heavy head of steam on the result would probably have been more disastrous. As it was, the engine is fastened so securely in the ground that it will cost no little amount to get it back on the tracks, and besides it is thought that the engine is damaged to a considerable extent.

Meares said that he had been here two or three days and that some one on the yards gave him permission to get on the engine and run it if he could. He says that he is a son of Mr. Mark Meares, of Councils.

He was examined during the day by Dr. W. D. MacMillan, county superintendent of health, and Dr. G. G. Thomas, chief surgeon for the Coast Line, and it is stated that they agreed that in their opinion the youth was mentally unbalanced. Meares' father has been notified and pending his arrival the youth is held at police headquarters.

COLORED EDUCATOR HERE.

Arranging for Sunday School Convention to be Held in Newbern.

The Interdenominal Sunday School Convention, colored, one of the greatest religious organizations among negroes in the State, which met in this city two years ago, will meet in Newbern July 26th to 29th, during the week of the Bi-Centennial.

Prof. H. E. Hagans, one of the leading negro educators and religious workers in the South, general field secretary for this movement, is in the city studying the methods of the Sunday Schools and stimulating the workers. He will lecture at several colored churches tomorrow on various phases of Sunday School work.

The Pythian Grand Lodge, Colored, will convene in this city July 19th for a three days' session. Prof. Hagans is chairman of the Endowment board of the State society and is looking after the interest of the society in this city. He is principal of the colored graded schools in Asheville, and is deeply interested in a number of movements headed by Booker T. Washington; especially the National Negro Business League, founded by Washington, its president, which will meet in New York in August. Prof. Hagans is gathering vital statistics on the negro in Wilmington and Eastern Carolina.

Guilty of Simple Assault.

Walter Barnes, a young white man, was given a hearing yesterday afternoon before Justice Harriss on two charges—assault on a street car conductor several nights ago and nuisance. The State took a nol pros with leave in the latter case and the attorney for the prosecution, the Tidewater Power Co., accepted a plea of guilty of simple assault in the former case. The defendant was required to pay a fine of $10 and costs. Woodus Kellum, Esq., represented the defendant, while Thos. W. Davis, Esq., appeared for the prosecution.

BUILDERS MEET AT BEACH

Semi-Annual Session of the Builders' Exchange of North Carolina Convenes This Morning—A Large Attendance.

The third semi-annual meeting of the Builders' Exchange of North Carolina, composed of contractors, subcontractors and dealers in building materials, will convene in the assembly hall of the Seashore Hotel, Wrightsville Beach, this morning at 10 o'clock with a large attendance. Two sessions will be held, one in the morning and the other in the afternoon.

The officers of the organization are: President, W. B. Barrow, Raleigh; vice president, J. A. Jones, Charlotte; secretary and treasurer, B. MacKenzie, Greensboro; assistant secretary, Alex. Sloan, Greensboro. The organization formerly went by the name of Master Builders but it was recently changed to the Builders' Exchange so as to include in its membership subcontractors and dealers in materials, whereas formerly only builders were permitted to join. The home office of the organization is in Greensboro, where the Exchange has a large building devoted exclusively to its use. The first floor is used to exhibit the different building materials handled by the members. The second floor is used as offices for the manufacturers' agents and on the third is a reading room and meeting hall.

Among those who had arrived last night to attend the meeting are: B. MacKenzie, Greensboro; D. E. Harllee, representing the Interior Hardwood Co., Indianapolis, Ind.; J. N. Longest, representing Central Carolina Construction Co., Greensboro; R. S. McClamrock, of the McClamrock Mantel Co., Greensboro; J. N. Underwood, R. L. Smith, Simon & Simon, W. J. Pettigrew, all general contractors of Durham; Mr. Phifer, of Phifer Roofing Co., Durham; Mr. Walker, of Carolina Electric Co., Raleigh; J. D. Rose, general contractor, Rocky Mount; Rhodes & Underwood, general contractors, Newbern; H. E. Longley and Joe Schad, Wilmington; L. B. Brickenstein, plumbing and heating, Winston-Salem; J. F. Ange, general contractor, Winston-Salem; Charles McKenzie, general contractor, Augusta, Ga.; Harry C. Miller, representing the Pittsburg Plate Glass Co., with headquarters in Greensboro; Eugene West, Greensboro, representing Southern Gypsum Co.; E. D. Pessier, Greensboro, representing Carolina Central Construction Co.; J. C. Grinnon, Norfolk, Va.; G. H. Chasmoler, representing H. B. Smith Co., Westfield, Mass.; James R. McClamrock, of the McClamrock Tile and Mantel Co., Greensboro; J. C. Morris, general contractor, Greensboro; W. M. Adams, of Adams & Hunt, plumbers, Greensboro.

This afternoon the Builders' Exchange will hold a joint session with the North Carolina Architectural Association, which is holding its annual meeting in this city. The architects' art exhibit in the assembly hall of the hotel has been placd in position and is open today to the public. Those interested in building would do well to visit the assembly hall today and see the beautiful water color work, sketches and photographs of buildings erected by the architects.

WAS WIFE OF WILMINGTONIAN.

Lady Who Killed Self and Child in New York Well Known Here.

Mrs. Washington Catlett left last evening for Washington City and from there will go to Falls Church, Va., to attend the funerals of her daughter-in-law, Mrs. Jeanne Hodgson Catlett, and her two-months-old granddaughter, Jeanne Catlett, an account of whose tragic deaths in New York City was given in the Star yesterday morning. Mrs. Washington Catlett will join her son, Mr. George Catlett, the grief-stricken husband and father, in Washington this morning. Mrs. Jeanne Catlett was a native of Falls Church, Va., near Washington, where the funeral and interments will take place. She visited Wilmington several times and made many friends here who were shocked and saddened when they read in yesterday's paper of the tragic death of herself and daughter. The family in this city received the first news of the tragedy through The Star early yesterday morning, but a short time later a telegram was received from Mr. George Catlett briefly stating the sad facts. The hundreds of Wilmington friends of Mr. Catlett deeply sympathize with him in the double bereavement he has sustained in such a tragic manner.

CONCERT AT SEASHORE.

Last Night Marked Formal Opening of Handsome Steel Pier.

A thoroughly delightful concert was given in the pavilion on the ocean end of the handsome steel pier at Seashore Hotel, Wrightsville Beach, last night by the Choral Society of Wilmington, the programme given in yesterday morning's Star being carried out. The pavilion was crowded with music-lovers who are guests at the beach and there were also a number of townspeople in attendance. Each and every number on the programme was well received by the large audience.

EVEN CURES ULCERS.

Remarkable Results from Skin Remedy That Costs Almost Nothing.

No matter how bad a sore or ulcer afflicts you, it is said that Hokara the pure skin food, will cure it. In fact, if it doesn't cure, the purchase price will be refunded.

J. Hicks Bunting Drug Co., the local agents for Hokara, who have sold hundreds of packages the last few weeks, say they have yet to find any form of wound or disease affecting the skin that Hokara does not heal, and its relief is so instantaneous that those who try it are simply delighted with it.

Pimples, eczema, blackheads, acne, barber's itch, and all skin troubles are quickly cured by applying this simple skin food and tissue builder. It contains no grease or acids, and is cleanly to use.

J. Hicks Bunting Drug Co. is selling Hokara at the low price of 25c for a liberal sized jar.

If the skin trouble is caused by impure blood or if the bowels are inactive, use Hokara Blood Tablets. They cool and cleanse the blood and regulate the bowels in a natural way.

BRUNSWICK COUNTY NEWS

A Variety of Items Culled From the Southport News—Youth Kills His Sister—Sunday School Convention.

The following items of interest are taken from Thursday's issue of the Southport News:

"The steamship Rauma was put on quarantine last Saturday and given a thorough fumigation.

"Capt. T. W. Fulcher returned last week from Young's Island, S. C., with his small schooner the J. W. Lathrop, with which he has been freighting the past winter in the locality of Charleston. The schooner is equipped with power, also and is a lively freighter. Capt. Fulcher is to paint his schooner soon, after which he will be ready for business in this locality. Mr. Millard Windsor has been with the Lathrop as engineer during the season, and is also greeted by his many friends.

"News reached town last week which has been confirmed by authentic information, that the little eight-year-old son of Mr. S. E. Grissett, who resides in Shallotte township, killed his little three-year-old sister on Thursday last. The children seemed to have been at home, and were left alone for a short time, and at the time the tragedy occurred no one was at the place, and consequently the manner in which the fatality occurred is not definitely known. From the best information gathered, it appears that the little boy was very angry at being left at home by the father who had just left for Seaside, and for some reason got hold of a loaded shot gun and whether he was angry at the time of the shooting or whether he intended to shoot his little sister, is not known, but anyway, the little girl was shot in the head and killed instantly. Mr. Grissett is a highly respected farmer and does a small merchandise business, and he has the sympathy of every one in this calamity and bereavement.

"The County Sunday School Convention to be held in Southport on July 6th promises to be the beginning of a work which will eventually greatly increase the efficiency of every Sunday School in the county. Each department of the organized Sunday school work will receive special attention, and all present will have the privilege of asking questions concerning Sunday school management as there will be open conferences on those two subjects. No doubt the gathering will greatly stimulate Sunday school activity in our midst. Our own county should be as well organized and do as efficient work along this line as any other in the State and it can if the Sunday school workers are really in earnest.

"Fort-o-graphs: The North Carolina Bankers' Association visited the post on Wednesday, June 22nd, coming down the river on the steamer Wilmington. The band gave a complimentary concert to this influential body.——A new 60-inch search light has been installed by the Engineers Corps, under the supervision of Mr. J. N. Daniels, the Engineers foreman at this place. It is located above Battery Bagley (motar battery.) The contractors from Hampton, Va., have commenced work on the new officers quarters. Furpless & Newton, of Southport, are laying the foundation for the new ordinance machine shop.——Mr. Howard Cool, of Southport, was the Saturday evening guest of Miss Christina Johnson, of this place——First Sergeant Thomas B. Payne, of the 19th Co. has completed 30 years service in the army and will retire this coming week——Miss Margaret Weir spent Sunday evening in Southport, the guest of Miss Josie Garrett——Thirty-first Co., 19th Co. and 79th Co. is the standing of the Baseball League.——The 19th Co. baseball team expects to play the Junior Baraca Class team, of the M. E. Sunday school, in Southport tomorrow."

Phoenix correspondence The News: "Messrs. W. C. Rourk, P. H. Murphy and N. A. Pridgen, of Wilmington, representing the Christian Endeavor Society of St. Andrews Presbyterian church, were here on Sunday night and assisted in the organization of a Christian Endeavor Society at the Presbyterian church. We appreciate the interest of these young men, and are glad to make note of the interest shown by the young people of our community. We have a goodly number of charter members to begin with and feel sure the work will grow.——Miss Nettie Robbins, Miss Katie King and Miss Bertha Standly, of Wilmington, visited the home of Mr. P. B. Robbins last week."

Funston correspondence: "Miss Katie Hawes entertained quite a number of her friends last Friday evening, complimentary to Misses Cecil and Mabel Gore, of Wilmington, who returned home Saturday, after spending a week with their aunt, Mrs. V. C. Garner, of Funston.——Mr. J. W. Collins and daughter Edna Mae and Mamie, of Wilmington, arrived last Saturday Mr. Collins returned Sunday, the girls will stay several days."

MRS. SARAH CREASY DEAD.

Passed Away at Her Virginia Home Yesterday Morning.

Mr. and Mrs. W. M. Creasy and Mr. A. H. Creasy, of this city, left last night for Mount Airy to attend the funeral of their grandmother, Mrs. Sarah Creasy, widow of Mr. Wm. Owen Creasy, who passed away yesterday morning at the family home, "Summer Rest," Patrick county, Va. Mrs. Creasy was the daughter of Solomon Slusher, and wife, Pamelia Reid, and was born January 5th, 1827, making her therefore in the 84th year of her age. Her only child, Rev. Dr. W. S. Creasy, was pastor of Grace Methodist church, this city, from 1888 to 1892. For several years Mrs. Creasy had spent her Winters with her grandsons, Messrs. Wm. M. and A. H. Creasy, of this city, and her Summers at "Summer Rest." She was a consecrated member of the Methodist church for over 50 years and was a most estimable woman. Surviving are six grandchildren, Messrs. W. M. and A. H. Creasy, of Wilmington; John Creasy, of Augusta, Ga.; Mrs. B. J. Overcarsh, Charlotte; Mrs. Laurence Hazad, Savannah, Ga., and Mrs. S. Lee Smith, Atlanta. Besides there are 15 great-grandchildren. The bereaved have the sympathy of a great many friends in this city.

COLUMBUS COUNTY ITEMS.

Three Cases of Pellagra Near Cerro Gordo—Lighting Plant.

The following items of interest are taken from this week's issue of the Whiteville News Reporter:

"It has been discovered that the early strawing of berries either breeds or encourages the ravages of the boll weevil. Those who strawed their plants very late in the season were but little harmed by these pests.

"It will not be many months before the new road from Vineland to Reaves' Ferry is completed, when a regular schedule will be put on. That road will do great things for the fine section it traverses.

"The getting out of poplar logs is an important enterprise in this county. Most of these logs are shipped to Germany and the wood is stained to imitate mahogany, walnut and rosewood and used in the manufacture of pianos.

"Some enterprising gentlemen are at work upon an electric lighting plant in Vineland and which will soon be in operation. At present lights will only be carried toward the Court House as far as Dr. Crowell's residence, but it is hoped our town authorities will arrange to have our principal streets lighted by electricity and which would give all of our citizens the benefit of this movement.

"Our friend Mr. Shelly tells us there are three well-developed cases of pellagra around Cerro Gordo. This dread disease is getting to be an epidemic in certain sections of Columbus county, but we have not as yet heard of any deaths caused therefrom. The idea that it is from eating bread made from diseased corn is being abandoned, It is traceable to a number of causes."

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good, what's changed? The pies? No. It's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's needed? A complete toning up by Electric Bitters of all organs of digestion—Stomach, Liver, Kidneys, Bowels—Try them. They'll restore your boyhood appetite and appreciation of food and fairly saturate your body with new health, strength and vigor. 50c at Robert R. Bellamy's.

CELEBRATED SILVER WEDDING.

Mr. and Mrs. E. Piner Entertained a Number of Friends.

Mr. and Mrs. E. Piner celebrated their 25th, or silver, wedding anniversary last evening at their home, No. 307 Chesnut street, where a number of their friends were entertained in honor of the event. Mr. and Mrs. Piner have four children, two sons and two daughters, and two grandchildren and all were present for the happy occasion last night except Mr. D. C. Piner, of Columbia, S. C., where he holds a position in one of the Capital City banks. Many friends called during the evening and extended to Mr. and Mrs. Piner their heartiest congratulations and best wishes for many more wedding anniversaries. Delightful refreshments were served during the evening. It was indeed a pleasant occasion for host and hostess and guests alike and will be long remembered by all.

SPENDING HONEYMOON AT WRIGHTSVILLE BEACH.

Mr. George V. Wynne, of Durham, and his bride, formerly Miss Ruth Smith, of Laurinburg, who were married at the home of Mr. and Mrs. A. L. Monroe, at Monroe, Wednesday afternoon, arrived here on the late Seaboard train Wednesday night and will spend their honeymoon at Wrightsville Beach and with friends in the city. Rev. R. F. Kirkpatrick, pastor of the Presbyterian church, at Monroe, performed the ceremony.

To the strains of Mendelssohn's wedding march, played by Mrs. Etta Griffin, little Miss Sarah Smith entered the room, followed by Mrs. D. A. Smith, dame of honor. Then came the groom and his best man, Mr. J. C. Wynne, and they were joined by the bride, leaning upon the arm of Mr. A. L. Monroe, her brother. After the ceremony, which was witnessed by only a few relatives and intimate friends, the assemblage repaired to the dining room, which had been beautifully decorated with sweet peas and ferns and delightful refreshments were served.

PORTER CHARLTON EXAMINED

Alienists Visit Young Self-Confessed Wife Murderer Daily.

New York, June 29.—Alienists retained by Judge Paul Charlton, father of Porter Charlton are continuing from day to day their examination of the young prisoner in the Hudson county jail, where he is being held to await expected proceedings for his extradition to Italy to face a charge of wife murder. Reports today that the insanity experts had completed their examination and handed in their report caused young Charlton's counsel, J. Floyd Clarke, to be flooded with inquiries as to the nature of the specialists' reported findings. Mr. Clarke, however, emphatically denied that any report whatever, had been made by the alienists. As was originally announced the attorney stated, there would be no haste in rendering a decision and it was proposed to take all the time necessary to arrive at a complete understanding of the young man's case. The attorney said that he expected that the examinations would continue at intervals for some time yet

TWENTY YEARS AS PASTOR.

Rev. A. D. McClure, D. D., Completes Long Service at St. Andrew's.

Rev. A. D. McClure, D. D., than whom there is no more popular or beloved Wilmingtonian, on yesterday was receiving the congratulations of a host of friends, or at least all who knew of the pleasing incident, upon his completion of his twentieth year as pastor of St. Andrew's Presbyterian church. When Dr. McClure first came to Wilmington his congregation was known as that of the Second Presbyterian church, the name having been later changed to St. Andrew's. The congregation has grown steadily in numbers and influence until it is now one of the largest and most progressive churches of the Presbytery. Dr. McClure and his people are to be heartily congratulated upon reaching this new period in the church's usefulness when the future is so full of brightness and promise.

COUNTY CONVENTION TODAY.

New Hanover Democratis Meet in Court C use at Noon.

The New Hanover County Democratic convention for the selection of delegates to the State, Congressional and Judicial conventions will be held in the Court House at noon today. Delegates to the convention were named at precinct meetings held throughout the county last Saturday, except at Delgado and Federal Point. There will be about 83 delegates to the convention. In the two precincts where no meetings were held the county executive committeemen of those precincts will either go to the convention as delegates or appoint delegates, as is provided for in the Democratic plan of organization. It is probable that Marsden Bellamy, Esq., will be elected chairman of the convention, no other names being mentioned for the office.

SURPRISING SURPLUS

Year's Ordinary Receipts and Expenditures—Corporation Tax.

Washington, July 1.—A surprising surplus of $9,402,432 in the years ordinary receipts and expenditures, instead of the expected deficit; a decrease of $1,648,337 for the month in the public debt; $17,362,815 altogether from the corporation tax, and $11,000,000 cut in postal deficiency disbursements for the year are some of the remarkable features of today's Treasury Departments reports for the fiscal year ending last night.

The surplus in normal operations, the most gratifying feature of all the treasury officials, was against a deficit in the same items of $58,734,955 last year, while the total deficit, formed by adding the big Panama Canal transactions, expenditures for which the treasury will eventually be reimbursed, and the public debt statistics, reached only $25,884,644 today, against a deficit over all of $118,795,920 a year ago. Of the corporation tax revenue, $16,666,110 was received during June, including $8,872,045 yesterday. The total balance in the general fund is $100,490,784. All these results are far beyond the expectations and estimates of the administration at the outset of the past fiscal year.

The aggregate public debt of the United States, both interest bearing and non-interest bearing, is $1,296,939,969, a decrease of $1,648,337 from last month according to today's statement. The total cash in the treasury which includes the $150,000,000 reserve fund and the $100,490,784 balance in general fun is $1,725,683,054.

The total ordinary receipts at the close of yesterday's business were $13,300,979 for the day, $76,271,022 for June and $669,064,780 for the fiscal year against $603,589,490 the previous year.

The year's disbursements including $172,792,769, for civil and miscellaneous, $157,004,608 for war, $123,114,547 for navy, $18,752,612 for Indians, $160,733,839 for pensions, $21,342,984 for interest on public debt, besides the postal deficiency, the aggregate being reduced by $2,574,625 as repayment of unexpected balances.

ROBBERY AND ASSAULT

Daylight Burglary in New York—Diamond Stolen.

New York, July 1—A daring daylight burglary and a brutal assault on a woman by two men who tore a diamond ear ring from her ear after knocking her unconscious with a black jack, occurred in Harlem today and after a lively chase in which more than 500 men and boys participated one of the alleged burglars was caught. An angry mob stoned the prisoner on the way to the police station, where he was finally lodged and denied his guilt. The victim of the assault, Mrs. Pena Kassina, 55 years old, on returning to her home on West 115th street from a shopping trip, noticed that her door had been forced by a jimmy. Inside she found two men ransacking her apartment. One of them jumped for her and struck her with a black jack. She was found with one of her earrings torn from her ear and with a serious cut on the head. The man arrested gave his name as "Barney Parker" and he was charged with attempted burglary. No one saw which way the second man fled.

VIRGINIA SOLDIERS MOVE.

Leave for Springfield, Mass., to Celebrate With Veterans.

Petersburg, Va., July 1.—Marching under the Stars and Stripes and the Virginia State flag, 80 Veterans of the Confederate Army, members of A. P. Hill Camp, U. C. V., of this city, left this afternoon on the "Cannon Ball" express for Norfolk, where tonight they sailed on the Old Dominion Line steamer Jefferson via New York for Springfield, Mass., where they will unite with veterans of E. K. Wilcox Post, G. A. R., in the celebration of the Fourth of July.

In New York they will be met by a delegation from the Wilcox post which will escort them to Springfield.

Accompanying the Veterans is the drum corps, numbering eleven men, one of them a veteran, five members his sons, and the other five, sons of veterans in the camp.

Memphis, Tenn., July 1.—Former United States Senator Thomas B. Turley died at his residence here this afternoon after an illness of several weeks, aged 65 years. He was appointed to fill the vacancy in the Senate caused by the death of Senator Isham G. Harris, the term expiring in 1903.

PERSONAL PARAGRAPHS.

—Mr. H. A. Ganey, of Leland, was a business visitor to the city yesterday.

—Messrs. B. H. Gieschen and G. F. Dempsey left yesterday afternoon for a visit to Jacksonville and Tampa, Fla.

—Mr. Carl Pepper left last night for Bristol, Tenn., to which place he has been transfered by Armour & Co., and is in the nature of a promotion.

—Mr. C. C. Covington underwent an operation at the James Walker Memorial Hospital Thursday. His friends will be glad to know that he is getting along very nicely and expects to be out in about ten days.

—Mrs. S. Judge has returned from Baltimore, Md., where she visited her son, Mr. George R. Judge. She was accompanied to Baltimore by her niece, Miss Fannie May Widdifield, who will spend the Summer at the home of Mr. Judge and in the Fall will enter school in Baltimore.

LOCAL DOTS.

—The regular monthly meeting of the City Board of Health will be held Tuesday.

—At the Bijou today will be shown "Only a Faded Flower" and "Picturesque Pyrenees." Both are interesting pictures and will doubtless be seen by large audiences.

—A case against J. C. Register, a young white man, charged with disturbing a lawful meeting on Wrightsville Beach last Sunday night, set for trial before Justice Harriss yesterday morning, was continued until next Wednesday.

—The schooners Richard Linthicum, Capt. Lennan, and Anthony D. Nichols, Capt. Seavey, cleared yesterday after discharging cargoes of cement. The Linthicum sails today for Jacksonville and the Nichols for Georgetown, S. C.

—Advices have been received at the custom house that the revenue cutter Seminole, Capt. R. O. Crisp, which has been at th Newport News, Va., shipyard for several weeks receiving the regular Summer overhauling, will leave within three weeks for the North. It is presumed that the Seminole will not return to her home port until the cruising season begins in September.

—Monday being the Fourth of July, a National holiday, the regular monthly meeting of the Board of Aldermen will not be held Monday evening, members having requested that it be held Tuesday instead. It is probable that the meeting will be held at 3 o'clock in the afternoon as a later hour would hardly give the City Clerk and Treasurer time to transmit a copy of the proceedings to the Board of Audit and Finance, which meets at 8 P. M.

—Jerry Reaves, colored, was given hearing before Justice Harriss yesterday on the charge of aiding and abetting an assault, warrant sworn out by Carrie Patterson, colored, a neighbor It seems that the children of the prosecutor and defendant were at outs and and Reaves told one of his children to hit a child of the Patterson woman with a brick, the instructions being carried out to the letter. The defendant entered a plea of guilty through his attorney, James H. Scull, Esq., and was taxed with the costs.

ALASKAN INSURGENTS.

Convention Asks for Deposition of Governor and Committeemen.

Juneau, Alaska, July 1.—The insurgent Republican convention which met yesterday and nominated James Wickersham for re-election as territorial delegate to Congress, today adopted a resolution demanding the removal of Governor Walter E. Clark and asking the Republican National Committee to depose L. H. Shackleford from his position as committeeman from Alaska.

The resolution charges that "Louis P. Shackleford obtained his position as National committeeman in 1908 by fraud and corruption and organized, in conjunction with former Governor Hoggatt and Governor Walter E. Clark and others, a clique known in Alaska as the rule or ruin gang; that he spent the Winter at Washington lobbying against measures introduced by Delegate Wickersham, a Republican, and overwhelmingly indorsed by Alaska people; that he deceived the administration, maliciously slandered the people of Alaska and formulated false charges against honest officials of the territory in order to stop criminal prosecution of his friends."

The resolution charges that Governor Clark misrepresented and maligned the Alaskans while in Washington and demands his removal on the ground that he has lost the respect of the people of the territory.

MILLS CURTAILING.

Many Plants Throughout the United States Being Shut Down.

Boston, July 1.—Many of the cotton mills of the United States were shut down today until July 11, for the purpose of curtailing production. The corporations which closed today employ about 100,000 operatives and include the majority of the four score mills in Fall River, 18 miles of the Amoskeag corporation of Manchester, N. H., and many other mills in New England, outside of the cities named.

The Stark cotton duck mills at Manchester, N. H., shut down last night until July 6. The Dwight mills, of Chicopee, employing 2,000, are stopped until July 11.

The seven mills of the Fall River company will continue operating alternate weeks, and 15 of the B. B. and R. Knight factories in Rhode Island, Connecticut and Massachusetts, will still run four days weekly until the situation improves.

WADESBORO WINS.

Laurinburg Again Loses in Pee Dee League.

(Special Star Correspondence.)

Laurinburg, N. C., July 1.—Defeat was branded upon the locals again today by Wadesboro, by a score of three to one. But for the errors of Laurinburg the result would have been different, the only earned run being the one by Laurinburg. Reis pitched again today and did even better work than on yesterday. Brown maintained his former record by pitching superb ball. Score:

Wadesboro .. ....010 010 001—3 6 1
Laurinburg .. ....000 010 000—1 3 7

GEN. FUNSTON ILL.

Leavenworth, Kan., July 1.—General Frederick Funston, commandant of the army service school here, is dangerously ill at his home. General Funston's condition is such that the army post physicians and the best trained nurses in the hospital are in constant attendance upon him. The general is suffering from angina pectoris. It was learned that he had been subject to slight heart trouble for some time, and it is believed that the heat of the last week brought on the present severe attack. Mrs. Funston, who was in California, is on her way to the bedside of her husband.

MRS. EDMUND LILLY DEAD.

Passed Away Last Night at Her Home in This City—Funeral.

Many friends throughout this city and section of the Carolinas will hear with profound sorrow of the death of Mrs. Katherine E. Lilly, widow of the late Edmund Lilly, which occurred rather suddenly last night at her home in this city of heart failure. Mrs. Lilly was up and was driving yesterday afternoon in apparently her usual health, but suffered an attack last night which caused her death with little warning to loved ones, who were totally unprepared for the shock.

Mrs. Lilly was in the 76th year of her age and was held in the highest esteem by all who enjoyed her acquaintance. Devoted to her Master and to her family and friends on this earth, her life was an inspiration and a joy to those about her. For many years she had been a devoted member of the Presbyterian Church, Mrs. Lilly was a native of Cheraw, S. C., and came to Wilmington with her husband, the late Mr. Edmund Lilly in 1852, having resided here practically ever since. She is survived by a brother, Mr. John A. Buchanan, of Darlington; one sister, Miss Hettie Buchanan, of South Carolina, and three daughters, Mrs. William Gilchrist, Mrs. F. H. Russell and Miss Katie Lilly, all of Wilmington. They have the heartfelt sympathy of a host of friends in their deep and unexpected bereavement. The funeral announcement will be made later.

STAGE CARICATURE OF JEWS

Conference of American Rabbis Hears of Some Correspondence.

Charlevox, Miss., July 1.—That individual endeavor to eliminate from the stage the caricature of the Jew has proved futile was the conclusion given today by the central conference of American Rabbis, now in session here, in a report of the committee on church and State.

The report says that the committee has entered into correspondence with the New York Managers Association and has been assured that the managers have no sympathy with "the lampooning of the Jew on the stage."

New York, June 30.—The United States Circuit Court of Appeals today denied the petition of the Wright Company, asking a modification of the decision dissolving the temporary injunctions obtained by the Wright Company against Louis Paulhan, the French aviator and the Herring-Curtiss Company, of Hammondsport, N. Y.

CORPORATION COMMISSIONERSHIP.

Waynesville, N. C., July 1.—Judge A. W. Graham, through his stool-pigeon, S. D. Booth, is circulating a report that Judge Graham and 59 other Democrats voted in favor of the oil inspection bill in the last Legislature. This is simply not true and shows to what depths an office-hungry man will descend. Among the 59 other members who voted for the bill were such mossback Republicans as McDonald, of Cherokee; Caudill, of Wilkes; McDevill, of Madison; Rhodes, of Henderson, and Turner, of Mitchell. The friends of Hon. W. T. Lee, are not criticising any member who voted for or against the bill. We are only showing that Judge Graham is willing to have facts misrepresented in order to get in by claiming that only Democrats voted with him for the oil bill. He can't plead ignorance because the vote is recorded on page 913 of the House Journal. But this is not the only misrepresentation of which Judge Graham is guilty. He is circulating a statement that Hon. H. C. Brown is a Western man. This claim has been exposed so often that it has become a joke. Mr. Brown is a native of Randolph county and has lived in Raleigh about twenty years. When printing the tickets for the primaries the State executive committee put Mr. Brown as a Wake county man. The committee doubtless received their instructions from Mr. Brown himself. He lives and votes in Wake county and the State committee was right. Mr. Brown is alright, but he is not a western man.

Verily, Judge Graham's case is that of the drowning man who clutches at a straw.

Silence!

The instinct of modesty natural to every woman is often a great hindrance to the cure of womanly diseases. Women shrink from the personal questions of the local physician which seem indelicate. The thought of examination is abhorrent to them, and so they endure in silence a condition of disease which surely progresses from bad to worse.

It has been Dr. Pierce's privilege to cure a great many women who have found a refuge for modesty in his offer of FREE consultation by letter. All correspondence is held as sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Favorite Prescription restores and regulates the womanly functions, abolishes pain and builds up and puts the finishing touch of health on every weak woman who gives it a fair trial.

COTTON ADVANCES ON REPORT

Government Places Condition of Plant at 80.7 Per Cent.—Net Gain in Prices From Two to Ten Points—Conditions.

New York, July 1.—A sharp advance followed the publication of the government's crop report today making the condition of the plant only 80.7 per cent., when the trade had been looking for about 83 per cent. on the average, but realizing for over the fourth caused partial reactions later, and while last prices showed a net gain of from 2 to 10 points, the closing tone was barely steady.

The market opened steady at unchanged prices to an advance of 8 points and during the first few minutes sold about 5 to 9 points net higher owing to steady cables, continued rain in the Eastern belt, the absence of any general precipitation in Texas and covering of shorts. One of the big bull leaders entered the ring as a seller of July on the advance, however, and this was followed by a gradually sagging market owing to scattering liquidation for over the bureau figures until, just before the report was issued active months showed a net loss of about 1 to 6 points. The publication of the figures was followed by a very quick advance. Buying orders came into the ring from all sources, and it looked as if the comparatively low condition was attracting a better outside demand than has been noted for the past three months. Prices went up three and four points between sales and inside of 20 minutes after the report was known the market showed a net gain of from 16 to 21 points. Had it not been for the three day adjournment it was thought there might have been a further improvement as the circulation of the figures through the country brought in a broadening demand, but as it was there was a good deal of selling for profits and prices eased off rather readily toward the close. All three of the big markets will be closed from tonight until next Tuesday morning. Today's report carries the condition of the crop up to June 25th, and the condition of 80.7 compares with 82 per cent. last month, 74.6 last year, 81.2 in 1908, and a ten year average of 79.5 per cent. Bullish operators claim that owing to the continued rains in the Eastern belt since the government report was compiled the condition has further detiorated and now must be under the ten year average.

Receipts at the ports today 4,951 bales against 32,239 last week and 6,746 last year; for the week 20,000 bales against 23,818 last week and 31,138 last year. Today's receipts at New Orleans 320 bales against 936 last year and at Houston 423 bales against 219 last year.

Spot cotton closed quiet; middling uplands 15.35; middling gulf 15.60; sales 19,900 bales.

REVIEW OF COTTON FOR WEEK

Sold-Out and Over-Sold Conditions Caused Sudden Advance Last Wednesday—Crop Report and General Conditions.

New York, July 1.—Recent predictions that the market would soon reach a sold-out and over-sold condition were realized on Wednesday when prices suddenly advanced. Many had become so thoroughly inbued with the idea that the crop was making rapid headway that the short side was overdone. The inevitable result has been a sharp upturn of late.

The persistent rains in Georgia, the Carolinas, Alabama, Mississippi, Louisiana and Florida, where the precipitation at times has ranged from 1 1-2 to over 4 inches the ground with the lack of sufficient moisture in Texas and Oklahoma, have caused active covering by nervous shorts. This decision was brought about partly, no doubt, by the fact that the exchange on both sides of the water will be closed from tonight till Tuesday next, but it was also traceable to increasing report of an unfavorable crop situation in important sections. The adverse conditions above mentioned have given rise to fears that considerable injury might occur if the desired weather does not materialize in the near future.

From Louisiana reports have been received to the effect that the crop is seriously menaced by the boll weevil. Increasing complaints of weevil have been received from Texas. The plant in many sections of the South is still said to be from two to three weeks late.

The strength of July has been a feature. The stock of cotton here continues to decrease rapidly, to the alarm of many of the shorts. The certificated supply has fallen below 90,000 bales, and some estimates of the uncovered short interest in the old crop months are over 200,000 bales. Leading New Orleans interests have given support at times, but the demand has come mainly from the shorts. Early in the week prices declined under the depressing influence of disappointing advices from Liverpool, small spot sales there, unfavorable trade reports, domestic and foreign, quiet spot markets at the South, bearish pressure and liquidation for Wall street, local and South account. The spot sales in the English market have ranged from 2,000 to 4,000 bales a day. Curtailment is spreading in this country. Many of the crop reports from the South have been very favorable and with the increased acreage the belief of many is that the prospects are good for a heavy yield. July notices for about 20,000 bales were issued on Tuesday, June 28th. There has been some selling here against cotton headed this way from the South. Spot interests here have sold August rather freely at times. But the change in sentiment regarding the crop situation in important sections has been the underlying factor in moulding the market of late. Today prices advanced on further rains in the Eastern belt and a government report stating the condition of the crop at 80.7 per cent. against 82 per cent. last month and 74.6 per cent last year.

OUTLOOK FOR TRADE.

Trade and Crop Reports Irregular—General Condition.

New York, July 1.—Bradstreet's tomorrow will say: Trade and crop reports are still irregular, but weather conditions favor final distribution, and except in a few sections, as for instance the Northwest and parts of the South, the crops have made satisfactory progress in the direction of large yields. Hot Summer weather has stimulated retail distribution of seasonable goods, the demand is still reported below earlier anticipations. Jobbing trade for Fall is irregular, being quiet as a whole, but improving in the Southwest, while being checked in the Northwest.

Mid-year influences have added to the rather quiet tone characterizing some leading lines of industry.

Rather more activity is noted in pig iron, though at the expense of prices. Finished lines seem to show more quiet, some of which is undoubtedly due to mid-Summer influences. Textile industry shows from 25 to 40 per cent. of curtailment proceeding, and jewelry, coal mining and some other lines are quiet. Apparently consumers have covered their immediate requirements, and on that account quiet conditions are anticipated until the appearance of the next statement as to stocks, production and deliveries.

Business failures in the United States for the week ending with June 30th, were 196 against 187 last week, and 213 in th like week of 1909.

EFFECT OF SLUMP IN STOCK

Usual Symptoms Following so Violent a Disturbance—Varying Factors Caused Market to be Irregular Yesterday.

New York July 1.—The action of the stock market today was in accordance with the usual symptoms following so violent a disturbance as that which occurred yesterday. The mere fact of the arrest of the decline relieved the market of a weight of forced liquidation through wiping out of margins and uncovering of stop loss orders.

The imminence of a triple holiday interval emphasized the disposition of the large short interest to cover, and this constituted an important sustaining influence. There was perceptible, also, the operation of the usual secondary causes in the re-selling of stocks bought at the bottom prices yesterday by lucky speculators eager to secure quick profits, or by banking interests and insiders, who bought yesterday solely for the purpose of checking demoralization and with no desire to retain their holdings. Still another class of selling came from belated liquidation that had been carried through the break of yesterday to save heavy sacrifice with the condition of retirement at the first available opportunity. In response to these varying factors the market had its periods of feverishness and unsettlement.

Aside by the buying of the shorts there was not an aggressive demand and the hesitation of the buying increased as prices extended their recovery. On the other hand, the needs of the bears still uncovered were indicated in raiding tactics on special stocks, exemplified in sudden and violent declines and immediate the recoveries, with very little stock changing hands either on the decline or the rebound.

The issuance of the call for report of condition of National banks by the Comptroller of the Currency coming fully three months after the preceding call, represents an unusually long interval and the delay in issuing it had been made the occasion of growing comment and some solicitude.

The poor showing of the July condition of cotton in the government report and the upturn in the wheat market were little regarded in the stock market. Bonds were firmer. Total sales par value $2,624,000. United States bonds are unchanged on call from last week.

Total sales for the day 823,800 shares including Amalgamated Copper 44,300; Sugar 800; Tobacco 100; A. C. THE GRAIN MARKET.

Chicago, July 1.—To curtail open risks pending possible weather developments during the suspension of business until July 5, took all the surplus energy of wheat traders today. The outcome of the evening up was a net advance of 1-2 to 3-4. Corn closed 1-2 to 5-8 to 3-4 up and oats 3-8 to 5-8. A flurry in July pork the price of that option 67 1-2 higher, but otherwise provisions finished with losses of 2 1-2 to 7 1-2 to 10.

LIVERPOOL BETTER.

Reports Better Than Expected—Rains in Atlantic States.

(Special Star Telegram.)

New York, July 1.—Reports from Liverpool were better than expected spot sales were good and Continental shorts in Winter months stimulated our market by a covering demand. More rains in the Atlantic States were a further argument for buying, but prior to the Bureau report trading was comparatively light with new crops showing the greater strength. Crop reports generally are mixed but on the whole conditions are favorable. At noon the Bureau report of condition was 80.7, comparing with last month 82, and a ten year average of 79.5.

This made a lively scramble for new crop deliveries but outside demand was noticeably absent, the local demand being the only one. As those figures are lower than the trade expected they suggest caution and the trade with the holidays in prospect was averse to new commitments during the remainder of the day.

NAVAL MANEUVER PLANS

Will Teach Militia Actual Seamanship This Summer.

Washington, July 1.—The State naval militia men are to be taught something of actual seamanship this Summer. Plans are now being made by the Navy Department to carry out these naval maneuvers. The New England and Middle States naval militia will be taken out to sea in the battleships of the Atlantic fleet, probably during the latter part of this month, and arrangements are being made for other organizations throughout the country to take part in the practice cruises.

On the great lakes a squadron of seven naval militia vessels will cruise from Thunder Bay in Lake Superior, to Buffalo, N. Y., and back to Detroit between August 8 and 16. The Wolverine will be the flagship of the squadron, while the militia from Illinois, Michigan, Ohio and Minnesota will sail along behind.

The Louisiana milita will take a cruise on the Isla de Luzon and the Stranger along the coast of Louisiana and Texas July 16-30; the Missouri militia will navigate the Amphrite from New Orleans to St. Louis about the same time while the North Carolina militia will cruise by divisions from July 1st to August 14th.

INCREASE OF IMMIGRANTS.

Annual Statistics Made Public Yesterday by the Commissioner.

Washington, July 1.—An estimate that the total number of immigrant aliens admitted at all ports of the United States during the past fiscal year reached 1,035,545, was made by Commissioner General Keefe, today. This is an increase of 283,759 over the number of immigrant aliens admitted last year.

The non-immigrant aliens admitted that is, those coming to the United States temporarily, only reached 145,421, which is a falling off of 47,028 while the total number of all persons debarred during the year was 24,200. Last year only 11,000 were debarred.

The remarkable increase in the number of those debarred is looked upon from differing standpoints among immigrant officials. Some claim that the class of immigrants is not as high as it was a year ago.

DEEPER WATERWAYS

Call Issued For Meeting at Providence In August.

Philadelphia, July 1.—Congressman J. Hampton Moore, president of the Atlantic Deeper Waterways Association, today issued a call for the third annual convention of the organization at Providence, R. I., August 31 to September 3.

The call announced that President Taft and the Governors of States along the Atlantic seaboard have accepted invitations to participate.

The call states that the association has succeeded beyond its expectations in getting an early survey of the entire inland water route from Maine to Florida, and urges that this advantage must be followed by prompt action in securing Congressional approval for the project and appropriations to begin the work under continuing contracts.

PROBABLY NO STRIKE.

Negotiations in Washington Likely to be Successful, is Said.

Washington, July 1.—After the conference between mediators and representatives of conductors and trainmen of the Southeastern railroads, it was announced this afternoon that no definite arrangement had been effected, but that there was no likelihood of any break in the negotiations today. Hope still exists of adjusting the controversy without a strike. It was announced that no strike would be declared during the pendency of the negotiations.

COAL MINERS WON'T STRIKE.

Those in the Pittsburg District to Ratify the Agreement.

Pittsburg, July 1.—The possibility of a coal miners' strike in the Pittsburg district has been averted. A meeting of the executive board of the district officials of the mine workers' organization has been called for late today when it is expected a ratification of the agreement reached between the sub-committees of the operators and the miners will be carried out.

THE SOUTHERN NATIONAL BANK

FLOCK INTO RENO TO WITNESS FIGHT

(Continued From Page One.)

took the championship, expressed astonishment at Jeffries' appearance. "Take it from me," he said, "Johnson has not got a chance."

Sam Langford had a few words to say on the subject. "Jeffries is the greatest of them all," he declared. "He's the only man I don't want to fight. I'd think it a cinch to get into the ring with Johnson tomorrow, but it would take a heap of money to get me up in front of Jeffries. I know he would knock me out. He is the only one I am afraid of. Johnson doesn't count in this game at all."

Aside from his early morning fishing trip and his levee Jeffries did nothing today.

Old Time-Keeper Chosen.

Reno, Nev., July 1.—When Jeffries and Johnson spring to their feet at the tap of the first gong Monday afternoon, the watch that will tick off the fateful seconds as the fight progresses will be that of George F. Harting, whose history as a time keeper dates back to fights when Jeffries and Johnson had never been heard of.

To the sporting world at large at the announcement that George would hold the watch at any contest has been almost a bond that the fight was fair and square.

To Harting's appointment both Jeffries and Johnson gave the same comment, "I am satisfied." Harting came to this country from New Zealand.

When Peter Jackson and Joe Godfrey clashed before the old California Athletic Club, 23 years ago, it signalized Harting's appearance as timekeeper in this country. Since that time he has officiated at fights, big and little. It was he who held the watch at the famous Jackson and Corbett 61 round "no decision" battle in 1891. His record also includes the two great battles between Jim Corbett and Joe Choynski, which were decided on a barge near Benicia, Cal., two decades ago.

"I expect this to be my last appearance in the ring at a championship fight," said the veteran tonight.

"After seeing Jeffries this afternoon and looking him over in the light of my knowledge of him in former days, I have never seen him look so well prepared as he does today," said Harting.

At Johnson's Camp.

Johnson's Training Camp, Reno, Nev., July 1.—Beyond 12 miles of light road work with half a dozen of his followers trailing at his heels, Jack Johnson did not work today. The champion was prepared to do a little sprinting for the picture men, but they did not call on him and he decided to do it on his own hook. The trip was made late in the afternoon and Johnson walked most of the way. There were few visitors at the camp today.

The champion was measured today by Tom Flanagan, his manager. The figures follow: Height, 6 feet 1-4 inches; neck, 17 1-4 inches; chest, normal 7 1-2 inches; chest expanded, 42 3-4 inches; biceps 16 inches; forearm, 14 1-2 inches; wrist 10 1-2 inches; waist 30 inches; thigh 23 inches; calf 15 inches; ankle 9 1-2 inches; reach 72 inches; weight 209 pounds; age 32.

Some Spirited Betting.

Late tonight when the day's arrivals had taken their last look at the two fighters and compared notes the betting aspect of the situation began to liven up.

Tom Corbett, the betting commissioner, received $5,000 from his brother James to place on Jeffries and later in the night received $10,000 from a New Yorker to wager against $6,500 that Jeffries would win. The only other $10,000 bet thus far recorded was made by Andy Craig, of Chicago, several weeks ago.

The trainers, rubbers and other camp attendants out at Johnson's quarters, raised a purse, said to be $5,000 which they desire to bet at 6 to 10. At a late hour tonight this money had not been placed.

John Bush of Ely came in with $3,500 which he placed against $5,000, taking the Johnson end.

SOUTHERN TEXTILES.

Association Meets in Augusta Today—Membership Large and Growing.

Augusta, Ga., July 1.—The Southern Textile Association meets in Augusta tomorrow. Already over 150 delegates have registered and an attendance of fully 350 is expected. Seventy new members were enrolled tonight by the officers who opened headquarters in the Chamber of Commerce today. The association is composed of cotton mill superintendents, foremen and bosses. It is expected that W. P. Hamrick, of Columbia, S. C., will be chosen president and G. S. Escott, of Charlotte, N. C., secretary. Charlotte and Greensboro both want the next convention.

Spartanburg, S. C., July 1.—President Ellison A. Smyth, of the South Carolina Cotton Manufacturers' Association, issued tonight a call for a meeting of the Association to be held in this city July 12th. It is supposed to be in connection with the curtailment movement inaugurated today throughout this section.

THE HOOKWORM AND CHILDREN.

Subject Discussed Before the Convention at Worcester.

Worcester, Mass., July 1.—Conditions surrounding children, especially those of the poorer classes in New York City, were related by Roy Smith Wallace, executive secretary of the New York Children's Welfare Committee, before today's session of the child conference for Research and Welfare, at Clark University. The title of his address was "Facts Concerning Child Life in New York City."

"Some recent investigations into the presence of the hookworm disease in children," was the topic of Charles W. Stiles, scientific secretary of the Rockefeller sanitary commission.

EXPLODED DYNAMITE.

Small Rifle Shot Caused Terrific Explosion With Fatal Results.

Helena, Mont., July 1.—George Hart last night fired a 22-calibre rifle against a building in which a quantity of dynamite had been stored. A terrific explosion followed, demolishing Hart's home and damaging nearby buildings. Hart an his wife were killed, their baby was fatally injured and several others were hurt.

ESCAPES FROM ASYLUM.

Murderer Flees From Institution at Hopkinsville, Ky.

Hopkinsville, Ky., July 1.—George B. Warner, who murdered Pulaski Leeds, superintendent of machinery of the Louisville and Nashville, and who was found insane, escaped from the asylum for the insane here last night.

Louisville, July 1.—Warner, a discharged employe, walked into the office of Pulaski Leeds, superintendent of machinery of the Louisville and Nashville Railroad, one afternoon in April, 1908 ,and after a few words with his former chief, killed him.

Warner was found guilty and given the death penalty but a lunatico inquirendo appointed by Gov. Beckham, declared Warner insane.

He was taken to Hopkinsville, but escaped in a few months, and was never heard of until he gave himself up in Deer Lodge, Mont., about two months ago. He was returned to the asylum by a deputy sheriff from Kentucky.

COFFEE WAS LIBELED.

District Attorney Claims the Coffee is Adulterated.

Richmond, Va., July 1.—United States District Attorney Lewis today filed in the United States District Court here a libel against six bales of coffee shipped from New York to a local concern, alleging that the coffee is adulterated, and that the pure food law is being violated by those who are handling it. The allegation is that the coffee has been misbranded The brand on the bales is "Mocha." The government chemist pronounces the coffee a mixture of Mocha and Bourbon Santos. The papers in the case are returnable before Judge Waddill. The government will ask that the coffee be confiscated under the law.

ELEPHANTS RUN AMUCK.

Break Away From a Circus Parade and Tear Down Main Street.

Greely, Col., July 1.—Angered by the efforts of trainers to separate them from two small elephants, two big elephants belonging to a circus yesterday engaged in a wild charge down the main street of this city.

The elephants, which were chained together, finally crashed through a fence into the front yard of a residence, tearing up lawn and shrubbery.

They were making straight for the house, which would in all probability have been wrecked in the collision, when they were brought to a stop by a stout maple tree on either side of which they attempted to pass.

TO RESCUE OF NEWLYWEDS

Mayor of Chester, Pa., to Use Police to Punish the Hazers.

Chester, Pa., July 1.—Mayor Johnson has come to the rescue of future brides and bridegrooms of this city and has pledged himself to use the power of the entire police force to protect them from hazers.

He has issued the following edict: Marriage is no farce and must not be treated as such. In the future there shall be no permits issued for parades or public demonstrations that will have a tendency to annoy newly married couples. Such affairs should not betreated lightly."

SPEAKER CANNON TO ATTEND

Other Prominent Men to Be at The Sessions of the Editors.

Saratoga Springs, July 1.—Speaker Joseph Cannon has accepted an invitation to attend the annual convention of the New York State Press Association, which will be held in this village July 6 to 8.

Other speakers will include John Morris, of the American Newspaper Publishers' Association, and Harwood Bacon, superintendent of the division of transportation in the Postoffice Department.
